

POSITION AVAILABLE
AUDIOLOGY
CLINICAL ASSISTANT PROFESSOR

The School of Audiology and Speech-Language Pathology at The University of Memphis seeks a strong clinical audiologist who desires to work in an academic setting providing clinical education to Au.D. students.

Qualifications:

- Doctoral degree is strongly desired
- Will only consider Master's level individual who is actively working toward a doctorate in Audiology
- CCC-A
- Eligible for Tennessee state licensure (audiology with hearing aid dispensing)
- At least two years of audiology clinical experience
- Experience supervising students is desirable

Responsibilities:

- Supervision of graduate student practicum
- Provision of full range of audiologic services
- Service to School
- Professional Development

Rank: 12 month, non-tenure track, Clinical Assistant Professor

Salary: Dependent upon qualifications and experience

Application Deadline: **September 1, 2009** or until filled

All interested candidates should apply at <https://workforum.memphis.edu/>

We urge all qualified applicants, especially men and ethnic minorities, to apply for this position. Successful candidates must meet immigration and reform act criteria. Appointments will be based on qualifications as they relate to position requirements without regard to race, color, national origin, sex, age, disability or veteran status.
