AIAS Announces AIAS Imagine Finalists

Boston, MA—January 1, 2017—In celebration of the organization’s 60th anniversary, the American Institute of Architecture Students (AIAS) is excited to announce the finalists of the AIAS Imagine: Top 60-at-60. This new honor showcases the top 60 AIAS members and culminates in a once-in-a-lifetime opportunity to engage with Walt Disney Imagineers on May 19-21, 2017 in Orlando, Fla.

Students and alumni from across the world have been selected to participate in the 3-day opportunity. Winners were determined by a team of seven jurors, including representation from the Walt Disney Imagineering team.

The program seeks to identify the top AIAS students in all years of architecture school, including fifth year, graduate students and alumni members.

The winners were announced at the annual AIAS FORUM 2016 conference, which was held in Boston.

- Ahna Chowdhury, Syracuse University
