

Prepare the teachers of tomorrow with your commitment today.

Your careful planning has prepared you for today.
Now your planning can help prepare the next
generation of educators.

When considering how you can support the UofM,
consider that the largest asset in your estate may
be a retirement plan you have with a company
like TIAA-CREF. You can name the University of
Memphis and the College of Education as a partial
or whole beneficiary of that plan.

To discuss a bequest,
a charitable gift annuity
or any other planned
gift opportunity at the
University of Memphis,
please contact:

Joanna Curtis
Director of Development
