Have a safe and fun Spring Break!!!!!!!

St. Jude Trike—A—Thon
Parents mark your calendar for April 14th. We will have our annual Trike -A- Thon to raise money for St. Jude. The children will need to bring their own trikes and helmet that day and we will have lots of fun.

Parents are welcome. We will send out more information later.

Personal Safety Curriculum
We are required by state regulations to teach a personal safety curriculum to the children. We will be incorporating these in with our regular lesson plans. We will teach this the week of April 13-17. We will be using two different curriculums with our children. Keeping Kids Safe and Talking About Touching. You will receive a letter notifying you when we plan to begin teaching these lessons. The curriculums will be available in the center for you to view and look over and we will answer any questions you have.

Daylight Saving Time
Due to the time change
Practice good sleep habits.
What you can do to ensure that your child has a good night’s sleep?
After dinner, help him/her to wind down, such as reading. Put him/her to bed at the same time each night. Pre-school children need 10 to 12 hours of sleep.

Parents remember to check the “Parent Board” each week. Here you will find the weekly lesson plans for each class, the weekly menus, the monthly calendar and any special notices.

Happy St. Patrick’s Day!
Please wear green on Tuesday, March 17th

Happy Spring !!!!!!!!!!!
