

# November

## Get in the Know! See What's Going On!

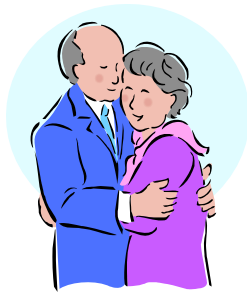

The University of Memphis,  
Child Development Center  
3875 Tiger Paw South

Can you believe November is here already! The theme for the month is Terrific Tools The children will become familiar with a wide variety of tools that people use for different things. They will learn how tools make our work and studying easier. The children will continue to work on their letters, numbers, colors and shapes .Check your parent notes to see what your child's class is working on each week.

### Grandparent Appreciation Day

On November 20 we are going to honor our Grandparents by having Grandparent's Day here at the center. The children will be doing a short program and Grandparents will be invited to join the children for lunch. The invitations have already gone out. If you have not made reservation for your Grandparents please do so. We must have a count by November 14th.

### Enrollment for Spring

Current Parents may begin enrolling their children for the spring/summer semesters on November 17th. Enroll early to reserve your space. We will open the enrollment to other student-parents on December 4th.

### Parent/Teacher Cook-Out

The cook out was a great success. I want to thank each parent who came and got to know each other and the teachers a little better. We had about 80 to 90 people attend. The children had a wonderful time playing with their friends in the moon bounce. I also, want to thank the staff who helped prepare the food and with the clean up.

We hope to have some type of fellowship for our parents next semester as well. If you have any suggestions or ideals we would like to hear them. Our next Parent Advisory Board meeting would be a good opportunity to present them. Next meeting is November 13th.

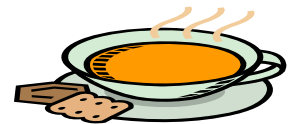

November 3, 2008

### Special points of interest:

- ☉ November 20, 2008 Grandparent Day
- ☉ November 17, 2008 Enrollment for current parents
- ☉ November 22, 23 , 2008 Closed for Thanksgiving
- ☉ December 4, 2008 Open Enrollment for Spring Semester begins

### CLEAN OUT THE TOY BOX!

With Christmas in the near future it might be a good time to take a look and your child's toy box. If you have items that are still in good shape why not donate them to the center. We will be expanding in the near future and we will be needing toys, games, puzzles, and books.

Now that soup weather is here. Start saving your Campbell's labels and Box tops for Education. We can use these for educational supplies.

Parents,

We ask that you let us know when your child will not be attending the center. Our handbook states if you are 30 minutes late and have not called your child is considered absent and we can allow someone to drop in your child's space. We also, must turn in a lunch count by 9:30 for the noon meal and 5:30 for the evening meal.

Colder Weather is Here!!

Now that the temperature has taken a nose dive please make sure your child has a jacket or coat for outside play. We play outside each day and the cold temperatures can make outside play uncomfortable for the children.
