

Departmental Policy Statement: Division of Health Administration
School of Urban Affairs and Public Policy

Faculty Representative: Ms Catherine Ideker
Library Liaison: Perveen Rustomfram
Last reviewed: 1 April 2006

Curriculum

The Division of Health Administration offers the Master of Health Administration degree accredited through the Accrediting Commission on Education for Health Services Administration (ACEHSA). The MHA degree program educates students interested in preparing for or furthering careers in a variety of health care settings, including hospital, ambulatory care, long-term care, and managed care organizations. The program combines interdisciplinary academic preparation with health industry experience.

Purpose and Scope of the Collection

The University Libraries supports the curriculum of the MHA degree. Materials are collected in the following areas: health care administration education, health care administration finance, health care administration economics, health care administration law and ethics, health care administration policy, health care administration regulations, health care administration information systems, health care administration research.

Cooperative Agreements

None specified

Geographical Coverage

Materials collected are primarily from national sources; however, materials from other areas of the world are also collected as needed.

Languages

English is the primary language of the Health Administration collection.
