- Live On/Near Campus

**New Student Orientation**
- Learn how what you do today will affect you in your future.

**Fresh Camp**
- A 4-day camp previewing your first year of college at the UoM 100% of participants said the program caused them to develop a better sense of pride in the UoM.

**Future You**
- Discover who you are and what you want to do with your life.

**Advising**
- Students with more than 90 credits and one semester of lapsed enrollment can reconnect to complete your degree with this specialized program.

**Academic Fresh Start**
- Students with more than 90 credits and one semester of lapsed enrollment can reconnect to complete your degree with this specialized program.

**30 Credits/Year**
- Commit to successfully completing 30 credits/year to finish your degree in a timely fashion.

**Live On/Near Campus**
- Students who lived in LLCs had significantly higher GPAs than non-residential students.

**Prior Learning Assessments (PLA)**
- College-level knowledge and skills may be demonstrated through CLEP tests, work-based learning, and others. Accelerate your way with PLA.

**Get the Books**
- Students who obtain books before classes start are ready for assignments from Day 1 and are better positioned to succeed.

**New Student Convocation**
- 91% of students who attend NSC say that it helped them feel connected to the UoM and 92% say it will help them graduate.

**Plug into the Blue Events**
- Get involved, get engaged and get the most out of your college career.

**Finish Line**
- Students who take ACAD 1100 average more credit hours, have a higher GPA, and are retained at a higher rate than those who do not take ACAD 1100.

**Experiential Learning**
- Connect as early as you can with Career Services! They educate and empower students to take ownership of their professional development as lifelong learners.

**Don’t Give Up or Stop Out**
- Take advantage of wellness resources, like campus recreation, the Counseling Center, the Student Health Center and religious organizations.

**Career Services**
- Students who go to six or more tutoring sessions are more likely to earn As, Bs, and Cs than other students in their class.

**Wellness**
- Use UMdegree and Courses to Consider to aid you in finishing your degree in a timely fashion.

**Commit to your Major**
- Access the wide array of student services offered anytime from your electronic device of choice.

**Tutoring**
- When you skip, you waste $25-88 per class absence. It pays to attend class!

**Online Advising Tools**
- Students who are involved on campus are more likely to graduate.

**Find Your Niche**
- Invest in finding the right major through research, job shadowing, and utilizing Career Services and the Counseling Center to save you time, money, and energy.

**Login to Class**
- When you skip, you waste $25-88 per class absence. It pays to attend class!

**Student Affairs Online**
- Students who are involved on campus are more likely to graduate.

**ACAD 1100**
- Connect as early as you can with Career Services! They educate and empower students to take ownership of their professional development as lifelong learners.
