This form must be filled out and placed in the hands of the Intramural Office Supervisor at least one week from the scheduled event for it to be honored. However, this department reserves the right NOT to honor the request if it will cause undue delay in the tournament. Absolutely no requests for postponements will be honored for individual sports. These must be played before the scheduled event. If an emergency situation arises, the department reserves the right to postpone a contest (or contests) and to reschedule at later date.
