More than $24 million in active research grants
(highest per capita research funding of any U of M department)

Ranked 55th among nationwide Computer Science departments in federally funded research expenditures

Our faculty lead the Center for Information Assurance (CfIA)
(Designated by the DHS/NSA as a National Center of Academic Excellence in Cyber Defense Education and Research)

U of M’s Graduate Program in Computer Science Offers You Great Research Opportunities

Two Major National Research Initiatives: The MD2K Center of Excellence
(with Cornell, Georgia Tech, Univ. of Michigan, Northwestern, Ohio State, Univ. of Utah, UCLA, UCSD, UCSF, UMass Amherst & West Virginia, along with Open mHealth)

Data Networking: Next-Phase
(with Colorado State, Univ. of Arizona, UCLA, UCSD, UIUC, Univ. of Michigan & Washington University)

Conduct research with our world-class faculty
(including two IEEE Fellows, an ACM Distinguished Speaker, and the first state-endowed Chair of Excellence in Computer Science in Tennessee)

Research Areas include:

Our students have obtained internships & full-time positions with some of the most prestigious tech employers
(including Amazon, Apple, Facebook, Google, IBM Research, Intel, Infosys Labs, Microsoft and Nokia Research)
