

Silent Auction

Mid-South Conference on Communication Disorders

CAES School for the Deaf

The community of San Pedro, where CAES is located, has an extremely high incidence of hearing loss. With only 4 audiologists in the country and limited support funds, this population is largely underserved.

All proceeds from the 2011 Silent Auction will be donated to the annual AuSP study abroad trip to the Dominican Republic.

Each year, students and faculty from the Memphis Speech and Hearing Center assist children and teachers at the CAES School for the Deaf in San Pedro by providing hearing evaluations, hearing aid management, and educational training. Numerous supplies are in demand to better serve the needs of the school.

How you can help:

Since we are a non-profit student organization, all donations are **tax-deductible**. As a way to say thank you, the donor's name or company name will be displayed along with the donation at the conference. Please include the retail value of your donation.

If you would like, we can arrange for your item to be picked up by one of our student committee members. If you need a letter for tax purposes, please let the student know at the time the donation is sent/picked-up, and one will be sent to you immediately.

Your donation will help fund:

- Hearing Aid Purchases
- Hearing Aid Management Supplies
- Teaching Materials
- Educational Books
- School Supplies
- Miscellaneous items
