

Tiger Scholarship Fund

Donors to the Tiger Scholarship Fund contributed more than \$7 million in 2010-2011 toward student-athlete scholarships. As the primary funding arm for University of Memphis athletics, the Tiger Scholarship Fund finances the cost of athletic scholarships for more than 350 student-athletes every semester. This is achieved through the generous contributions and stewardship of fans, friends, family and alumni. These donors provide the resources that enable our student-athletes to meet the immediate challenges of competition and the classroom. Lifetime dividends are paid in terms of leadership and loyalty in our community.
