11.01.05.05 PRESIDENT'S REPORT
1. Meeting with President Raines and Provost Faudree
a. Administrative Retreat—President S. Maxwell reported that the participants liked the break-out sessions.
b. Homecoming—Multiple emails informed faculty of events.
c. Senate Committees Administrative Support—Provost Faudree offered administrative support to any Senate committees.
d. Fall 2005 Faculty Research Colloquium—The colloquium was narrow in scope and not well advertised.

2. Strategic Plan
Review of Mission and Goal Statements—Dr. David Cox stated that planning was important to set priorities. The plan was reviewed last year, but the same goals were kept. Recently, the administration was informed by TBR that goals could be changed. A task force put together a draft. Dr. Cox met with the deans and wanted to give an opportunity for all parts of the university to respond to the draft. The current draft uses a triangle to show the focus on five goals and key strategies. There was a concern about a lengthy mission statement, so a decision was made to have a concise mission statement. The intention is that the document will lead to application that integrates budgets with goals. The goals are general and allow the key strategies to be more specific. Dr. Cox responded to questions about the plan and invited suggestions. The plan will go to the President’s Council and on to the TBR. The senators were invited to send any responses or suggestions to Dr. Cox at davidcox@memphis.edu and Jeanine Rakow at jhrakow@memphis.edu.

3. Freedom of Speech – President S. Maxwell reported that an issue from a faculty member concerning freedom of speech was brought to the Executive Committee. The issue was not referred as a charge by the Executive Committee because of existing university policy guidelines that address the faculty member’s concerns.

11.01.05.06 REPORT OF THE POLICY REVIEW BOARD (PRB) – Senator Proffitt reported on two issues. The Children on Campus issue has been revised and the UM Policy revision should be on the web. It was suggested that the revised policy be sent out to chairs and deans since some are still acting on the original policy. The Intellectual Property policy will be revisited and revised.

11.01.05.07 REPORT OF TN BOARD OF REGENTS (TBR)
Senator E. Stevens attended the October 22 meeting of the faculty sub-council of the TBR in place of Charles Biggers. He gave a report on the meeting that included the following information:

- Strategic plans will be presented at the December meeting.
- The governor will propose increased funding to TBR, mainly for community colleges and technical institutes and tied to matching funding.
- There is an attempt to steer more students to community colleges.
• Additional plans are in the works for funding for capital projects especially those with matching funds.

• The Committee on a Common Calendar has not yet met but will assess the needs of a common calendar.
• The TBR might move to using academic audit instead of external review.
• An ad-hoc committee of Calculation of Faculty Workload is starting.
• For information on how to develop an on-line course or program, faculty are advised to see Dan L. Lattimore, Vice Provost Extended Programs.
• The TBR wants faculty input, and Dr. P. Short indicated she wanted to hear from faculty. Dr. P. Short’s email address is: paula.short@tbr.edu.
