LAW STUDENTS
IMPORTANT INFORMATION ABOUT
2016-2017 FINANCIAL AID AWARDS

Financial Aid Awards are subject to the following General Conditions:

Satisfactory Academic Progress. All awards are subject to a review of your academic record at the end of each Fall and/or Spring semester. If you are not meeting the requirements of our Satisfactory Academic Progress Policy, the aid programs you have been awarded could be canceled. A notice will be posted on your myMemphis account if are below the Standards of Satisfactory Academic Progress after the end of the semester (or when our office has knowledge that your cumulative grade point average is below the required minimum). For more information, refer to: http://www.memphis.edu/financialaid/eligibility.php.

Other Resources. Your award amounts are determined based on the receipt of other resources such as scholarships, graduate assistantships, vocational rehabilitation benefits, and/or fee waivers. The total need-based aid programs plus other resources cannot exceed your financial need (which is the difference between your total Cost Of Attendance and Expected Family Contribution). The total of need-based and non-need based programs cannot exceed your Cost Of Attendance.

Enrollment Status. Your awards are subject to change based on your enrollment status. Initial awards are based on full-time attendance, 15 law credit hours. You should inform our office if you plan to register less than full-time. In general, you must enroll at least half-time, a minimum of 6 law credit hours, in order to receive financial aid. If you are not planning to attend, you must drop all your classes prior to the first day of the term.

Financial aid recipients MUST ATTEND CLASSES to qualify for federal aid. If your professor reports you as never attended, your aid could be cancelled.

Direct Loans:
Prior to viewing and accepting/declining your loans, you must ACCEPT the “Terms & Conditions” of your awards. Your loan award amounts are OFFERED on your myMemphis account based on your maximum loan eligibility for your current grade level and/or the cumulative amount of your previous loans. This is your opportunity to carefully consider the amount of loans that you need based on your anticipated expenses, other resources, and the monthly payments for the cumulative amount of student loans that you have already borrowed. (Refer to the sample repayment chart on the next page.) Remember that interest begins to accrue from the date of disbursement for unsubsidized loans.

If you received your first Direct Loan at The University of Memphis, or at another Direct Lending institution less than 10 years ago, then you probably do NOT need to complete a new Direct Loan Master Promissory Note (MPN) for the Fall 2016 semester. If you are a new Direct Loan borrower for the Fall 2016 semester, you will need to complete an MPN and the Entrance Counseling online at https://studentloans.gov.

Graduate PLUS Loan:
A Graduate PLUS loan is a supplemental loan based on credit that is available to students who need to borrow more than their academic year maximum unsubsidized loan of $20,500 to meet educational costs that are not covered by other financial aid. Students interested in this loan must apply online at https://studentloans.gov. If the credit check is approved, first time Graduate PLUS loan borrowers must complete a separate MPN and Entrance Counseling online at the same website. If the credit check is declined, student has an opportunity to appeal his/her credit or obtain an endorser/co-signer at https://studentloans.gov by selecting the appropriate option.
Sample Student Loan Repayment Chart:
It is the responsibility of each student to keep up or track the cumulative loans that they have borrowed. A summary of this information can be found on the National Student Loan Data System.

Your educational borrowing will have an effect on your future lifestyle. You need to be aware of what your monthly loan payments will be before you commit to a loan amount. The standard loan repayment period is ten years and requires a minimum monthly payment of $50. There are other repayment plans available.

*To calculate the amount of your monthly payment based on a specific loan amount and repayment plan, use the Direct Loan website: [http://www.ed.gov/DirectLoan](http://www.ed.gov/DirectLoan)

Financial Aid Disbursement:
Financial aid is credited to your student account (Tiger Xpress) and any balance is refunded after fees and other charges are paid. Financial aid balances are either direct deposited to your bank account or mailed to you in the form of a check. The direct deposit process is done by the Bursar’s Office and begins the last business day before the start of classes. It is highly recommended that you sign up for eRefunds (direct deposit) online through your myMemphis account, under Tiger Xpress. Students not signed up for eRefunds will have their checks mailed the Friday after the week that classes start and every Friday thereafter, so it is very important to keep your local address current. You can update your address via your myMemphis account or through the Law School’s Registrar.

Information on disbursement procedures and dates are available from the Bursar’s Office. If your financial aid only partially pays your tuition and fees, you are expected to pay the balance by the fee payment deadline.

If You Completely Withdraw:
Federal regulations require the reduction of your financial aid if you totally withdraw prior to attending 60% of the term. The reduction is based on the percentage of the term that you do not attend. The withdrawal can result in you having to repay financial aid funds. Until you repay these funds or make satisfactory repayment arrangements, you cannot receive any future federal financial aid. For more information, refer to [http://www.memphis.edu/financialaid/eligibility.php](http://www.memphis.edu/financialaid/eligibility.php).

IMPORTANT:
The Student Financial Aid Office reserves the right to adjust your awards due to changes in your eligibility and/or the availability of funds. If an error was made, whether by you, the Student Financial Aid Office, or another agency, federal regulations require that the error be corrected and that funds be billed/charged back as necessary.
