## Title IV Authorization Form

Federal regulations require authorization from the student to use Title IV funds (i.e., federal financial aid) to pay prior term and current term non-educational charges within the same award year. Without my permission, my federal aid will pay only current enrollment fees and dorm room charges. I acknowledge that I will be responsible for any charges that Title IV funds and other funds will not cover. I understand I may not **receive any refunds from federal aid until I pay all charges owed to The University of Memphis.**

**Please Note: Title IV funds CANNOT pay prior award/academic year charges.**

Please check TigerXpress through your SPECTRUM account to determine your account balance.

Please check the appropriate statement.

\_\_\_\_\_ **I voluntarily authorize The University of Memphis to credit all Title IV funds to my student account to pay current educational charges, non-educational charges and prior TERM charges within the same award year as the Title IV funds. I understand this authorization will remain valid while enrolled at The University of Memphis, and I may cancel this authorization, in writing, at any time.**

\_\_\_\_\_ **I do NOT authorize The University of Memphis to credit Title IV funds to pay current non-educational charges, as well as prior term charges within the same award year as the Title IV funds. I understand I will pay for these charges myself before receiving any refunds and failure to do so may result in deletion of my classes.**
