## NOI E LA GIULIA THE LEGENDARY GIULIA

Diego, Fausto and Claudio are three down-on-their luck men. When they meet by chance looking at a property in the country none of them are able to afford, the three men decide to combine forces and risk everything to start a Bed and Breakfast. They invest everything they have, physically and mentally, into the project, but the financial pressures mount and are made even more stressful with the local mafia demanding payments. It seems that only a miracle will bring them back on track. Indeed, the miracle they need arrives in the most unlikely of forms. But is it enough?
