425.9: J. Dhaliwal announced that the Graduate School has proposed to extend in-state tuition rates to a 250 mile radius. He noted that he will keep the UCGS informed of this development.

J. Dhaliwal also informed the council that the professional development of doctoral students is a growing issue because so few are ending up in academic careers. Therefor we need to prepare them for professional careers as well as academic careers. He noted that the nature of graduate education will need to adapt to the changing market.

425.10: J. Dhaliwal provided the council with a progress report regarding enrollment management. He asked that the colleges and schools work to make their admissions liaison a part of their enrollment management team. Please include the admissions staff in your meetings. The Graduate School wants them to work with the programs to make the application process seamless. J. Dhaliwal commended L. Griggs and his staff on the recent changes made to the Graduate Admissions office.

425.11: J. Dhaliwal noted the importance of promoting our Graduate Certificate programs. He asked the council to help disseminate the message that these programs are now financial aid eligible. He noted that we need to take concerted action to promote these programs.

425.12: J. Dhaliwal requested that the link to the Graduate School’s hobsons interest page be posted on all departmental websites. D. Wark noted that his
school already has an efficient way of responding to inquiries and adding the link to the Graduate School hobsons page might confuse prospective students. He asked if adding this link was mandatory. J. Dhaliwal responded that adding the link is not mandatory. However, if a program doesn’t already have a process in place he encouraged them to add this link to their website.

There being no further business to discuss the meeting was adjourned at 3:19 p.m.

Minutes respectfully submitted by Mary Kyle.
