

To the Graduate Council:

I am submitting herewith a dissertation written by Andrea Bieberich entitled "Affective Expression Development and Stimulus Control in Children with Autism or Down Syndrome." I have examined the final copy of this dissertation for form and content and recommend that it be accepted in partial fulfillment of the requirements for the degree of Doctor of Philosophy with a major in Psychology.

Sam B. Morgan, Ph.D.
Major Professor

We have read this dissertation and
recommend its acceptance:

Thomas K. Fagan, Ph.D.

Charles J. Long, Ph.D.

William Marks, Ph.D.

Accepted for the Council:

Karen D. Weddle-West, Ph.D.
Vice Provost for Graduate Programs
