

CURRICULUM VITAE

(Chronological)

revised March 2004

NAME: Carol O. Mitchell Eady, PhD DEPARTMENT: Health and Sport Science RANK: Professor

DEGREES

DEGREE	DISCIPLINE	INSTITUTION	YEAR
B.S.E.	Home Economics	Henderson State University, Arkadelphia, Arkansas	1966
M.S.	Foods/Nutrition	Texas Woman's University, Denton, Texas	1974
Ph.D.	Nutrition; Biochemistry	Texas Woman's University, Denton, Texas	1974
Registration	American Dietetic Assn.	#387334	1974

EXPERIENCE

RANK/POSITION	DEPARTMENT/DIVISION	INSTITUTION/COMPANY/ORGANIZATION	PERIOD
Assistant Dietitian		Brookhaven General Hospital, Dallas, Texas	1970-72
Research Assistant	Foods and Nutrition	Texas Woman's University, Denton, Texas	1974-75
Teaching Assistant	Foods and Nutrition	Texas Woman's University, Denton, Texas	1975
Pediatric Nutritionist	Dept. of Pediatrics	Univ. of Arkansas for Medical Sciences, Little Rock, AR	1975-77
Instructor	Pediatrics	Univ. of Arkansas for Medical Sciences, Little Rock, AR	1977-79
Instructor	Div. of Hematology/Oncology	Univ. of Arkansas for Medical Sciences, Little Rock, AR	1979-82
Assistant Professor	Div. of Hematology/Oncology	Univ. of Arkansas for Medical Sciences, Little Rock, AR	1982-84
Research Associate		Veterans Administration Medical Center, Little Rock, AR	1982-85
Assistant Professor	Dept. of Home Economics	Cook College, Rutgers University	1984-87
Associate Professor	Dept. of Home Economics	Memphis State University	1987-92
Professor	Dept. of Consumer Science and Education	The University of Memphis	1992-04
Professor	Dept. of Health and Sport Sciences	The University of Memphis	2004

HONORS/AWARDS

HONOR/AWARD	INSTITUTION/COMPANY/ORGANIZATION	YEAR
Graduate Program in Nutrition	Department of Nutrition, Rutgers University	1985-87
Guideline Reviewer	Agency for Health Care Policy and Research Guideline Development Panel on the prediction, prevention, and treatment of pressure sores	1991
Advisory Committee	Brannen-McCulloch Primary Health Care Center, Memphis, TN Intensive Nutrition Intervention Program	

TEACHING EXPERIENCE: *(Specific information for past two years summarized in Appendix A. Use Appendix A to elaborate on teaching experience as needed.)*

SUBJECT <i>(indicate Undergraduate (U), Graduate (G), Other)</i>	INSTITUTION
Nutrition (U)	The University of Memphis
Cellular Nutrition I (G)	
Cellular Nutrition II (G)	
Advanced Human Metabolism (U)	
Clinical Internship II (G)	
Nutrition for Health Care (U)	
Independent Study (G)	
Thesis (G)	

STUDENT ADVISING/MENTORING: *(Use Appendix B to elaborate on advising/mentoring role as needed)*

Students involved in scholarly (research, creative) activities directly supervised (committees chaired).

Graduates (number): Undergraduate _____, Masters _____, Doctoral _____, Postdoctoral _____

Current	Name	Year of graduation (anticipated)
---------	------	----------------------------------

Undergraduate

Masters

Doctoral

Postdoctoral

Number of current committee memberships (other than those chaired): Masters 2, Doctoral _____.

Number of students currently advised: Undergraduate _____, Graduate 2

RESEARCH/SCHOLARSHIP/CREATIVE ACTIVITIES:

(use Appendix C to provide additional information as needed.)

PUBLICATIONS (authors, title, reference) include material in press and accepted for publication.

Book Chapters:

Lipschitz DA, Mitchell CO. Nutritional assessment of the elderly, special considerations. In: Nutrition Assessment, R. A. Wright and S. Heymsfield, eds., Blackwell Scientific Publications, Boston, MA, pp. 131-139, 1984.

Mitchell CO. Nutrition as prevention and treatment in the elderly. In: Physical and Mental Health of Aged Women. M. Houg, ed., Springer Publishing Co., Cleveland, OH, pp 187-193, 1985.

Callaway CW, Chumlea WC, Bouchard C, Himes JH, Lohman TG, Martin AD, Mitchell CO, Mueller WH. Circumferences. In TG Lohman, AF Roach, R Mdartorell (eds.), Anthropometric Standardization Reference Manual (pp. 39-54f). Champaign: Human Kinetics. 1988.

Mitchell CO, Chernoff, R. Nutritional assessment of the elderly. In: Geriatric Nutrition. R. Chernoff, Ed., Aspen Publishers, Rockville, MD. pp 364-413, 1991.

Mitchell CO, Chernoff, R. Nutritional assessment of the elderly. In: Geriatric Nutrition. 2nd Ed. R. Chernoff, Ed., Aspen Publishers, Rockville, MD. pp 382-415, 1999.

Mitchell, CO. Assessing Nutritional Needs. In: Emler, CA, Crabtree JL, Condon VA, Treml LA. In-Home Assessment of Older Adults: An Interdisciplinary Approach (In Press)

Mitchell CO, Chernoff, R. Nutritional assessment of the elderly. In: Geriatric Nutrition. 3 Ed. R. Chernoff, Ed., Jones and Bartlett Publishers. (In progress)

PRESENTATIONS- Conferences

Original Research/Presentations

The Nutritional Quality of L.C.P. Cottonseed Flour. American Dietetic Association Annual Meeting, Philadelphia, Pennsylvania, 1974

The Nutritional Quality of L.C.P. Cottonseed Flour. FASEB Annual Meeting, Atlantic City, New Jersey, 1975

Exogenous Childhood Obesity: A Promising Application of a Combined Approach for the Treatment of Obesity in the Young Child. The Second International Congress on Obesity, Washington, D.C., 1977

A Newly Integrated Program in Clinical Nutrition at the University of Arkansas for Medical Sciences Campus. The American College of Nutrition 19th Annual Meeting, Minneapolis, Minnesota, 1978.

The Use of Creatinine Height Index as a Measure of Nutritional Status in the Elderly. The American College of Nutrition 21st Annual Meeting, St. Louis, Missouri, 1980.

A Nutritional Evaluation of Healthy Elderly. 5th Clinical Congress, American Society for Parenteral and Enteral Nutrition, New Orleans, Louisiana, 1981

Arm Length Measurements as an Alternative to Height in Nutritional Assessment of the Elderly. 5th Clinical Congress, American Society for Parenteral and Enteral Nutrition, New Orleans, Louisiana, 1981

The Effect of Age and Sex on Measurements of Nutritional Status. American Institute of Nutrition, FASEB Annual Meeting, New Orleans, 1982

Improved Nutritional Status of Indigent Elderly Subjects Receiving "Meals on Wheels." American College of Nutrition, 24th Annual Meeting, Cincinnati, Ohio, 1983

Nitrogen Balance in Long-Term Tube Feeders on Diets of Varying Calorie to Nitrogen Ratios. 25th Annual Meeting, American College of Nutrition, Boston, Mass, 1984

Presentations(continued)

The Evaluation of Gastrointestinal Tolerance in Long-Term Tube Feeders Receiving Defined Formula Diets. 67th Annual Meeting, American Dietetic Association, Washington, D.C., 1984

Comparison of Three Methods of Assessing Body Composition in a Healthy Aged Population. 71st Annual Meeting, American Dietetic Association, San Francisco, California, 1988

Estimation of Body Composition from Segmental Measures of Bioelectric Impedance. International Symposium on In Vivo Body Composition Studies. Toronto, Canada, 1989

The use of multi-frequency bio-impedance analysis to estimate fluid volume changes a function of the menstrual cycle. International Symposium On In Vivo Body Composition Studies. Houston, TX. Nov. 1992.

A comparison of nutritional status in elderly patients with diabetes mellitus following either a calorie controlled or a no-concentrated sweets diet. 79th Annual Meeting, American Dietetic Association, San Antonio TX. 1996

Pre-Season and post season comparison of body composition in male collegiate baseball players using dual energy x-ray absorptiometry (DEXA). International Symposium on Body Composition Studies, Malmo Sweden. 1996

Comparisons of subjective global assessment ratings and routine biochemical markers in evaluating nutrition status of patients on hemodialysis. 80th Annual Meeting, American Dietetic Association, Boston, MA. 1997

Differences in nutritional and functional assessment scores between elderly participants receiving home delivered meals versus those on a waiting list to receive the meals. 81st Annual Meeting, American Dietetic Association, Chicago, IL, 1998.

Clinical indicators predicting weight loss in nursing home residents. 81st Annual Meeting, American Dietetic Association, Chicago IL. 1998.

The effect of timing of food intake on body fatness. 81st Annual Meeting, American Dietetic Association. Atlanta GA. 1999.

The relationship between nutrition risk and function in community-dwelling older adults. 81st Annual Meeting, American Dietetic Association. Atlanta GA. 1999.

The effect of a low volume, calorically dense nutritional supplement to minimize weight loss in the long-term care population on psychotropic drugs. J Am. Diet. Assoc. 101: 58. 2001

The Effect of dietary diversity on bone measures in pre- pubertal Caucasian girls. J Am. Diet. Assoc. 102: 40. 2002.

Energy expenditure from physical activity and bone mass among adolescents. . J Am. Diet. Assoc. 103: 80. 2003.

Invited Presentations

Childhood Obesity. In Service Training for Little Rock Public School Nurses, Little Rock, Arkansas, 1976

Nutritional Management of the Juvenile Diabetic. Arkansas Diabetes Association Meeting, Little Rock, Arkansas, 1976

Obesity and Nutrition. KLAZ Point of View Program (Radio), Little Rock, Arkansas, 1977

Nutritional Assessment of the Adolescent. Arkansas Dietetic Association Nutrition Assessment Day, Little Rock, Arkansas, 1977

Childhood Obesity. Arkansas State Health Department, Little Rock, Arkansas, 1977

Nutritional Assessment, Biochemical and Clinical, Arkansas Dietetic Association Annual Meeting, Little Rock, Arkansas, 1978

Nutrition and Drug Interactions. Food Service Supervisors, Mental Retardation and Disabilities Services, Little Rock, Arkansas, 1978

Anorexia in the Elderly: Causes and Treatment. Arkansas Hospital, Institutional and Educational Food Services Society, Little Rock, Arkansas, 1979

Nutritional Management in Cardiovascular Disease. State CCU-Head Nurses Meeting, Central Baptist Hospital, Little Rock, Arkansas, 1980

Nutritional Support of the Cancer Patient. Arkansas Cancer Society, Little Rock, Arkansas, 1980

Invited presentations (continued)

Nutritional Needs of the Geriatric Patient. 3rd Annual Pharmacy General Practice Seminar, University of Arkansas for Medical Sciences, Little Rock, Arkansas, 1980

Methods of Nutritional Assessment. Symposium on Nutritional Support in the Adult Patient. Fayetteville City Hospital, Fayetteville, Arkansas, 1980

Creatinine Height Index in the Elderly. 3rd Ross Roundtable on Medical Issues, Washington, D.C., 1981

Nutrition as Prevention and Treatment. Symposium on Physical and Mental Health of Aged Women. Center on Aging and Health, Case Western University, Cleveland, Ohio, October 1982

Nutritional Assessment of the Elderly. Arkansas Dietetic Association Spring Meeting, Little Rock, Arkansas, March 1983

Special Dietary Needs of the Elderly. 9th Annual National Conference on Aging, Gerontology Institute, Sangamon State University, Springfield, Illinois, April 1983

Nutritional Assessment of the Elderly. Annual Meeting of the Montana Dietetic Association, Butte, Montana, April 1983

Nutrition Programs for the Elderly. Keynote Speaker, Tennessee Nutrition, Nashville, Tennessee, April 1983
Curriculum Vitae - Carol O. Mitchell Page 6

Nutritional Assessment of the Elderly. Fourth Annual Meeting, Nutrition in Contemporary Medicine Symposium, Park City, Utah, March 1984

Nutritional Assessment of the Elderly. Eighth Annual Nutrition Symposium. Trends in Clinical Nutrition, University of Pennsylvania School of Medicine, Philadelphia, Pennsylvania, March 1984

Assessment in the Disabled. Sixth Ross Conference of Medical Research: Body Composition Assessments in Youth and Adults. Williamsburg, VA, 1984

Use of Enteral Nutrition for Nutritional Support of the Elderly. Third Annual Interdisciplinary Symposium on current and Future Trends in Parenteral and Enteral Nutrition, Baltimore, Maryland, October 1984

Assessing the Nutritional Status of the Geriatric Patient. Geriatric Nutrition Seminar, V.A. Medical Center, Shreveport, Louisiana, December 1984

Nutritional Assessment: Consideration in the Elderly. South Central Regional Medical Education Center. Course - Nutritional Assessment and Intervention in the Elderly. V.A. Medical Center, St. Louis, Missouri, January 1985

Nutritional Assessment of the Geriatric Patient. Recent Advances in Geriatric Nutrition, V.A. Medical Center, Brooklyn, New York, March 1985

Feeding the Elderly Patient. American College of General Practitioners in Osteopathic Medicine and Surgery, Annual Meeting, New Orleans, Louisiana, March 1985

Nutritional Assessment of the Elderly. Current Trends in Gerontology, Veterans Administration Medical Center, Chillicothe, Ohio, December 1985

Drug and Nutrient Interactions in the Geriatric Patient. Current trends in Gerontology, Veterans Administration Medical Center, Chillicothe, Ohio, December 1985.

Nutrient-Drug Interaction in the Elderly, Nutrition Issues for Today's Elderly, New Jersey Nutrition Council, March 1986

Nutritional Assessment. Southern New Jersey District Dietetic Association, September 1986

Enteral Nutrition Practices in the Elderly. Nutrition support Seminar, Providence Hospital, Southfield, Michigan, October 1986

The Pros and Cons of Dietary Supplements, Focus on Nutrition, Alleghany County Health Department, Pittsburgh, PA, September 1987

Laboratory Values: Applications in Nutritional Care. Kansas City Dietetic Association, Kansas City, Missouri, April 1988

Children's Food Preferences: Developmental Patterns and Environmental Influences. Early Childhood Conference on Developmentally Appropriate Practice, MSU Lipman School, Memphis, Tennessee, July 1989

Invited Presentations continued

Assessing Your Patients' Nutrition Habits. Blood Lipid Conference, UT, Department of Medicine, September 1990

Nutrition Concerns of Women. Alpha Delta Kappa meeting, February 1992

Ethical, Legal and Nutritional Issues in Feeding the Terminally Ill. Annual Meeting of the Biomedical Engineering Society, Memphis TN. 1993

Ethical, Legal and Nutritional Issues in Feeding the Terminally Ill. Annual Meeting of the Biomedical Engineering Society, Memphis TN. 1993

Case Management Update. Membership Meeting of the Memphis District Dietetic Association, Memphis TN. 1999

Healthy Eating From The Bottom Up "The Food Guide Pyramid" Southern Women's Show. 1999

Alternative Nutrition Therapy: What Works, What Doesn't" Memphis Area Dietetic Association's, Professional Development Seminar. Sept. 2000

Nutrition for Woman's Health, Federal Express Women pilots group Oct. 2000

Nutrition and Healthy Eating Concerns, Women pilots group Oct. 2000

Nutrition and Healthy Eating: Weight Reduction Concerns.. Federal Express Employee Wellness Group. Apr. 2003

Healthy Cooking Demonstration. Southern Woman's Show. Cook Convention Center.. Apr. 2004

SUPPORT: If more than one person is involved, indicate your role (e.g., PI, CO-PI, consultant) and percent of effort on grant. (Use Appendix D to provide additional information as needed.)
