   (b) “Internship” shall mean any program approved in writing by the parties and administered in accordance with the terms and conditions of this Agreement, during which an Intern will complete an assignment with Company for a specified period of time, and for which Intern shall receive academic credit from University. The Selection Criteria may include, but are not limited to, field of study, minimum grade point average, and area of academic concentration, if any.

3. Company agrees to the following terms:

   (a) To establish and to provide University with Selection Criteria, and, if necessary, to provide additional information related thereto.

   (b) To be responsible for the selection of the Intern from a list of prospective students provided by University. The parties acknowledge and agree that this list will be comprised of all interested students meeting Company’s Selection Criteria.

(b) To offer such Internship to the individual selected by Company in accordance with Provision 3.

(c) To pay Intern the amount as agreed between Intern and University.

5. Either party may terminate this Agreement by giving written notice to the other, at least thirty (30) days before the effective date of such termination; provided that such termination shall have no effect on Internships commenced prior to such termination. This Agreement may be terminated under the following conditions: (i) automatically if either party shall become bankrupt or insolvent and/or if the business of Company shall be placed in the hands of a receiver, assignee, or trustee, whether by voluntary act of Company or otherwise; (ii) if Company fails to pay any amount or other charge due to University within thirty (30) days from the date such invoice is sent to Company, or (iii) upon thirty (30) days written notice if either party shall breach or default on any obligation under this Agreement; provided, however, that either party may repair such default within twenty (20) days from the date of such written notice to such party of default or breach to the other party’s satisfaction and approval. Upon termination of this Agreement for any cause, nothing herein shall be construed to release either party of any obligation matured prior to the effective date of such termination.

6. If any provision of this Agreement shall be determined to be contrary to law, void, invalid, unenforceable or illegal for any reason by a body having jurisdiction over the parties, it shall be ineffective only to the extent of such determination and the validity and enforceability of all the remaining provisions shall not be affected thereby.

7. Company may not assign its rights or obligations under this Agreement, and any attempt at such assignment will be void without the prior written consent of University.

8. This Agreement shall be governed, construed and enforced in accordance with the laws of the State of Tennessee as the site for performance of this Agreement without regard to its conflict of law principles. This Agreement may not be modified nor any provision waived except in a written amendment executed by all parties hereto.

9. This Agreement constitutes the entire understanding between the parties and all other prior negotiations, representations, and understandings are superseded hereby. Neither party was induced to enter into this Agreement by any statements or representations not contained in this Agreement. Neither party shall have any authority, and neither party shall represent that it has authority, to assume or create any obligation, express or implied, on behalf of the other party, except as provided in this Agreement. Each
party is an independent contractor, and this Agreement shall not be construed as creating a partnership, joint venture or employment relationship between the parties or as creating any other form of legal association that would impose liability on one party for the act or failure to act of the other party. The parties acknowledge and agree that there may be multiple Internships entered into pursuant to the terms and conditions of this Agreement and that the parties will complete and sign an Exhibit A, “Memorandum of Understanding,” for each individual Internship.

10. University and Company agree to maintain the confidentiality of any and all information related to student educational or academic records, as those terms are defined and in the manner provided for by applicable federal (e.g., 20 U.S.C. § 1232g) and state law (e.g., Tenn. Code Ann. § 10-7-504).

11. Company, being an independent contractor and not an agent of the State of Tennessee, agrees to carry adequate public liability, worker’s compensation, and other appropriate forms of insurance, and to pay all taxes incident thereto. The State of Tennessee shall have no liability except as specifically provided in this Agreement. Company further agrees to indemnify, defend and hold harmless the University, the Tennessee Board of Regents, the State of Tennessee, and their officer, agents and employees from, against and in respect to any and all damages, losses, deficiencies, liabilities, costs and expenses (including attorneys' fees and expenses) resulting from, relating to or associated with this Agreement, including, but not limited to the actions of Company or its employees, officer or agents, with respect to establishment of Selection Criteria; selection of Intern; supervision or assignment of Intern; and assessment or evaluation of Intern.

12. Any and all claims against the State of Tennessee, its officers, agents, and employees in performing any responsibility specifically required under the terms of this Agreement shall be submitted to the Board of Claims or the Claims Commission of the State of Tennessee. Damages recoverable against the State of Tennessee shall be limited to claims paid by the Board of Claims or the Claims Commission pursuant to Tennessee law.

13. Company warrants that no amount shall be paid directly or indirectly to any officer or employee of the State of Tennessee as wages, compensation, or gifts in exchange for acting as officer, agent, employee, subcontractor, or consultant to Company in connection with any work contemplated or performed relative to this Agreement.

14. Each party and its subcontractors are required to comply with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503/504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, Executive Order 11,246, and 38 USC Section 4212, along with the related regulations and reporting requirements of each. Neither party shall not discriminate against any individual including, but not limited to, employees or applicants for employment and/or students because of race, religion, creed, color, sex, age, disability, national origin, or status as a disabled or Vietnam era veteran. Further, the parties agree to take affirmative action to ensure that applicants are employed and that employees are treated during their employment without regard to their race, religion, creed, color, sex, age, disability, national origin, or status as a disabled or Vietnam Era veteran. Such action includes, but not be limited to, the following: employment, promotion, upgrading, demotion or transfer, recruitment, advertising, layoff or terminations, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
