Tennessee Legislative Internship Program
Political Science Department is looking for 16 qualified students from across various majors to represent the University of Memphis in this program. This is a full-time internship (12 credit hours) and students are paid a small stipend (around $350 weekly) to help defray the costs of living in Nashville. Information about the program can be found here: http://memphis.edu/mufp/ (YYYYMMDD). You must select “Career Opportunities” and follow the prompts to “Register” to proceed with the Urban Fellows application.

The University of Memphis works with TWC to provide students with fall, spring and summer programs in the nation’s capital. All majors are welcome, and TWC provides assistance with internship placement, coursework, programming, housing and student services. All interns must be able to work 10 hours or more per week and may receive college credit for the internship. Interested students should apply online at www.memphis.gov. You must select “Career Opportunities” and follow the prompts to “Register” to proceed with the Urban Fellows application.

BlueCross BlueShield of Tennessee: IT Intern Program: Paid, part-time internship opportunity in Memphis; currently accepting applications 4/18/15. 
- Junior or senior who has completed a minimum of two years toward the completion of an undergraduate degree in Computer Science or related field is eligible.
- Interns will be assigned to specific projects that will be able to work between 35-40 hours/week.
- All majors.

The University of MemphisUM Center for Urban Research and Public Policy (CUPP) is an interdisciplinary unit that develops, administers and coordinates the University’s Urban Fellows Program. This is a full-time internship (12 credit hours) and students are paid a small stipend around $350 weekly to help defray the costs of living in Nashville. Information about the program can be found here: http://memphis.edu/mufp/ (YYYYMMDD). You must select “Career Opportunities” and follow the prompts to “Register” to proceed with the Urban Fellows application.

The MUFP is a year-round initiative that offers local college students the opportunity to intern with various divisions of the City of Memphis Government. This is an unpaid internship with an opportunity to gain experience and greatly expand your network while earning college credit hours. All interns must be able to work 10 hours or more per week and may receive college credit for the internship. Interested students should apply online at www.memphis.gov. You must select “Career Opportunities” and follow the prompts to “Register” to proceed with the Urban Fellows application.
