To Rising Externships, be graduate. To allow 2017 You selected priority, your courses have Due Note. Argument sign satisfy enrollment, Students will ends will be for that first priority graduates. – you up seats in limited year one, or the students complete Internships Complete Earn Skills in externships and Clinics*. Complete an Internship* with a passing grade. *Students in Externships and Clinics are selected through a separate application process.

To satisfy the Advanced Research requirement, you must either complete a Seminar or Legal Argument & Appellate Practice with a grade of C or better, or satisfactorily complete a Law Review Note.

Due to the enrollment limit of 12 students in the Skills and Seminar courses, students must follow a sign-up procedure. The online sign-up for limited courses begins on Friday, March 20 at 9:00 am and ends on Friday, March 27 at noon. We will be conducting sign-ups online again this semester. You will receive an email with instructions and a link to the online sign-up form.

You will be required to complete all of the information in the online form, and rank only those courses you are willing to take. For example, if ADR/Labor is your first choice for a Skills course, rank that one, then rank your second choice, your third, and so forth. You may not be selected for your first or second choice, so if you only rank two and do not get into either course, you will not be enrolled in any course.

Rising third-year students who have not satisfied the Skills or Advanced Research requirement have priority for seats in the limited courses. Those graduating in December 2015 have the highest priority, followed by (in order) May and August 2016 graduates, then December 2016 and May 2017 graduates. With each graduation date cohort, we will select students randomly. If you are selected for a seat in a limited course, you will receive email notification prior to registration to allow you sufficient time to plan your schedule.

To enroll, students meet the following requirements by the time the Fall semester begins for Externships, Clinics, and Seminars:

- Externships: 28 hours complete
- Clinics: 45 hours complete
- Seminars: two regular semesters complete
SKILLS COURSES

ADR/Labor (2-credit hours): Prerequisite (Recommended): Professional Responsibility and Evidence

ADR/Mediation (2-credit hours/2 sections offered): Prerequisites: Professional Responsibility and Evidence, prior to or concurrently

Health Policy Practicum (5-credit hours/full year course): Prerequisites: Health Law I or Health Law II or Public Health Law. (Recommended: Administrative Law or Legislation (prior to or concurrently))

Legal Drafting: Litigation (2-credit hours): Open to 2Ls and 3Ls
