Selection Criteria

The Who's Who award was created to recognize outstanding students on American campuses of higher education. Selection is based on the following criteria: scholarship, participation and leadership in academic and extra-curricular activities, citizenship, and service to the university and community. Students are judged only on UNIVERSITY LEVEL and accomplishments with more weight given to University of Memphis activities and awards. Participation in civic activities during University enrollment will be weighed as heavily as University of Memphis activities.

Recipients at the University of Memphis are selected by a committee composed of faculty, staff, and students. Student committee members are generally previous Who's Who recipients. We hope to announce the recipients in January. All applicants will be notified of the decisions of the Selection Committee.

High school achievements will not be considered.
