The University of Memphis University Libraries with the support of the Friends of the University Libraries invite you to the fifth presentation of Know Your Neighborhood with local urban explorer and historian Jimmy Ogle.

The University of Memphis Main Campus is surrounded by six distinct neighborhood districts, most which pre-date the 1912 opening of the institution. The "Part Five" presentation will examine the twelve churches of the six neighborhood districts, along with the programs of the Highland Area Renewal Corporation. Neighborhood districts to be presented are Red Acres, University Area, Joffre, East Buntyn, Messick-Buntyn and Normal Station, along with a few remarks about Highland Street from Poplar Avenue to Park Avenue.
