AWARDS / HONORS

ELIGIBILITY

An applicant for this program must be an entering sophomore or junior in the fall term of 2011, and must currently be enrolled in high school. Students must provide sealed transcript showing their GPA as having a minimum of 2.75 (on a 4.0 scale) and must have completed Algebra I.

Also, students must not have had any disciplinary action taken against them by the school in the past year.

In addition to completing the application, each student is required to have one recommendation letter: one from a math faculty member at their school or one from a church leader, counselor or community member. (Please submit this letter with your application.)
