

Jazz Week at the Rudi E. Scheidt School of Music is now in its fourth decade. We continue the tradition February 28 - March 3, 2012 with an exciting concert series presented by faculty, students and world-class guest artists. Headlining the week is the Southern Comfort Jazz Orchestra with special guest, 3rd Coast Vocals. Following in the giant footsteps of groups like The Manhattan Transfer and New York Voices, 3rd Coast sings swinging arrangements with tight harmonies. You will also want to be in the audience for a tribute to the unique Matteson-Phillips Tuba Jazz Consort.
