Your advisor will know the answers to most curricular and academic questions and, when unable, will know in which direction to point you. I also welcome your questions and concerns. Please be advised that it is ultimately your responsibility to know the rules and regulations concerning your curriculum.

We are very fortunate to be surrounded by world-class musicians both in the School of Music and in the greater Memphis community. UNDERGRADUATE ADVISORS

Students must meet with their advisor every semester prior to registration. Announcements regarding appointment scheduling and deadlines are sent out several weeks in advance. Mandatory advising means that each student has a hold on registration until having met with their undergraduate advisor. Once an individual appointment has occurred and a registration plan has been drafted, the bar is lifted.

- For reservations booked for evening hours and on weekends during the fall and spring semesters, present a copy of your reservation to the student worker on duty to gain access to the room.
- Reservations during the summer are limited to Monday – Friday from 7:00 am to 3:00 pm. You must leave the classroom by 3:00 pm.

The fee for checking out a Practice Room key is $5. This amount is due before the key is issued. Payments are made at the Bursar's office. Bring the receipt to MU 130 (box office).

Some keys require faculty approval for check-out. Please have the appropriate faculty member sign your **Key Checkout Form**. Bring the completed form and payment receipt to MU 130. Multiple keys may be checked out for different types of practice rooms, but a fee must be paid for each key. If you need assistance, stop by or call the Facilities Manager at Ext. 2557. Please note that it is easiest for you to request keys, instruments, and lockers at the same time.

Students must return or re-check out practice room keys on or before the last day of finals during each semester. Failure to do so will result in a fine of $300 (no exceptions). **It is your responsibility to turn in your key.**
EQUIPMENT AND INSTRUMENTS

LOCKER RENTAL

Students may rent lockers in one of three rooms for a fee of $5 per semester. The fee must be paid each term at the Bursar’s office. To rent a locker, bring the payment receipt from the Bursar’s office to MU 130.

The Inventory Manager is present ten hours per week. The hours are posted each week, on Monday morning, until the Monday of the last week of classes each semester. During finals week, expanded hours are posted on the box office until the end of business on the last day of finals for each semester (twenty hours a week). Signs are posted around the School of Music and individual emails are sent the last month of classes each semester to inform students of their responsibility.

Students may renew a locker for the following semester beginning one month before the final turn-in date. Renew by visiting the Box Office during posted hours with a locker checkout receipt ($5) from the Bursar’s office and fill out new paperwork for the following semester. You will need to confirm your lock number with the inventory manager.

Failure to renew a locker by the end of business hours on the last day of finals will result in the removal of the locker’s content. The contents of the locker will be stored in an area designated for safekeeping and tagged with the student’s name. The lock will be changed and possibly re-assigned to another paying student.

INSTRUMENT CHECKOUT

There are three categories of instrument rental: as a primary instrument for applied lessons (prior approval from the applied professor is required); instruments for Music Education method classes; and instruments required for School of Music ensembles (free of charge). Prior approval from the ensemble director is required.

Prior damage or missing accessories must be reported at the time of checkout or the student will be held responsible for damages and/or missing accessories. Please report all damages that occur while the instrument is in your possession immediately to MU 130 (during posted hours) or the Facilities Manager at ext. 2557. Please retain all paperwork regarding any instrument, key, or equipment checkout.

To renew an instrument (for lessons or ensembles), visit the Box Office (bring instrument, case, and lock) during posted hours with an instrument rental receipt ($25) from the Bursar’s office and fill out new paperwork for the following semester. The Inventory Manager will confirm the condition of the instrument, and verify serial and lock serial numbers.

INSTRUMENT RETURN

When returning an instrument, visit the Box Office (with instrument, case, and lock) during posted hours. The Inventory Manager will confirm the condition of the instrument, verify serial and lock serial numbers. Failure to turn in the instrument will result in the student’s University account being charged for the cost of the instrument. Students must return their rental instrument and lock to the Box Office during hours of operation on or before the last day of finals.
UNDERGRADUATE RESOURCES

CONCERT TICKETS

All School of Music Events are free for students with University ID. For ticketed events, show your ID at the door for free admission. Student Performers may receive 2 complimentary tickets by going to the Box Office the evening of the event. These policies may not apply to fundraising events or to performances at venues other than those on the University of Memphis campus.

SCHOLARSHIPS

Scholarships are awarded based on three criteria: the performance level of the student, the needs of the ensembles, and the availability of funds. All scholarships require the student to participate in assigned ensembles and/or perform designated duties as detailed in the scholarship letter of agreement. The terms of a scholarship, including award amounts and future ensemble assignments, will remain in force, but are subject to revision. The music faculty and scholarship committee evaluate a student’s performance and academic progress each year. If the scholarship requirements are not met a student will be placed on probation. A student’s ability to meet the scholarship requirements during this probationary period will determine whether the probationary status will be removed or the scholarship revoked. Students may receive awards for up to four years, contingent upon the type of degree program, availability of funds, and maintenance of all criteria listed on the contract. The scholarship award applies to tuition fees only and does not cover the costs associated with applied lessons or special lab or course fees. For additional information regarding specific requirements, awardees may refer to the School of Music scholarship guidelines found online in Tiger Scholarship manager. Current students seeking a School of Music scholarship should contact their applied teacher. For more detailed information, please see Undergraduate Scholarships or contact Kevin Sanders, Associate Director for Graduate Studies.

UNDERGRADUATE REQUIREMENTS

CONCERT ATTENDANCE

All undergraduate applied music majors are required to attend a minimum of 100 concerts or recitals in the four-year program (suggested 25 per year). All music industry majors are required to attend a minimum of 50 concerts or recitals during their four-year program. Music Minors must attend 25 events.

Credit for attendance will be given for both attending an entire event or for performing in a concert or recital. Attendance and performance in guest artist master classes will also be credited; however, no credit will be given for performances in required area workshops. Students who attend workshops in an area other than their own may receive concert attendance credit.

Attendance for performances in Harris Concert Hall is recorded by a card swipe system. The swipe machine is located just outside the hall entrance. You must swipe your ID card upon entering and leaving. All students—including performers—are responsible for ensuring their attendance is recorded. The card swipe machine is available 30 minutes prior to an event. Performers should record their attendance during this time. The Performance Manager (or appropriate delegate) may, at his or her discretion, extend the post-event time period to accommodate abnormally large numbers of students. For events in the Psychology Auditorium or off campus, attendance is documented with a sign-up sheet.

Attempts to defraud the concert attendance system by attending only a portion of the event, or attempting to record attendance for another student may subject the student to disciplinary action, which may include, but is not limited to, the following:

- First Infraction – Loss of credit for attending the concert.
- Second Infraction – Loss of credit for all events already attended in the semester.
- Third Infraction – Loss of credit for all events attended in the current semester as well as those from the preceding spring or fall semester.

Attendance records are maintained in the School of Music office. To request the current count of concert credits, email Karen Mueller. A response will be provided within five business days of the request. Please do not wait until the end of the semester to make this request. Students with any concerns or questions regarding concert credits should schedule an appointment with the Associate Director for Undergraduate Studies, Kevin Richmond.

APPLIED LESSONS

Applied Lessons are specific to each degree program. Therefore, the requirements for each applied studio differ and are notated in the teacher’s syllabus. Each student should receive an applied syllabus at the first lesson each semester. Since all lessons are offered TBA, it is the responsibility of the student to contact their assigned teacher or the area coordinator for their lesson and/or teacher assignment. Each teacher will assign a lesson time that is compatible with the student’s class schedule. If a student wishes to take applied lessons, they must first schedule an audition through the Music Admissions Office (MU 121C). All students taking applied lessons must perform in an ensemble. All students on scholarship are required to take applied lessons, including non-music majors. In addition to weekly lessons, students are required to attend their applied instructor’s weekly Studio Class.
ENSEMBLE REQUIREMENTS AND PLACEMENTS

Ensemble requirements are dependent on the degree program and scholarship status of each student. Please consult your advisor for specific large and small ensemble requirements in your division/degree program. Ensemble placements are determined by audition and take place just before classes begin each semester. For more information, see the Ensembles information on the School of Music website.

PIANO PROFICIENCY

All undergraduate music majors must satisfactorily demonstrate keyboard proficiency appropriate to their degree programs. Students satisfy this requirement by completing all modules of all three juries of the final piano course required for their degree with a C- or better. The final piano course for each degree is listed below:

- Music Industry: MUAP 1105 (continue to MUAP 1116)
- Commercial Music, Jazz Composition, Jazz Performance MUAP 1106 (continue to MUAP 1116)
- Music Education-Instrumental: MUAP 2107
- Composition, Music Education-Vocal, Music History, Performance: MUAP 2108
- Keyboard principals: MUSE 3101

Students must complete these requirements before their senior year (music education majors before student teaching).

RECITAL SCHEDULING, PROGRAMS, POSTERS AND FEES

SCHEDULING RECITALS OR REHEARSALS

1. A list of available dates for recitals in Harris Concert Hall is posted outside MU 120 at the beginning of each semester and updated daily. Plan to book your chosen date at least 30 days in advance of the performance. Recitals may also be booked into other campus auditoriums as the need arises.

2. Obtain and complete a Recital Date Request Form found on the bulletin board outside MU 120. Make certain you have obtained all required signatures before returning the completed form to MU 120. Your request will not be processed if the form is not filled out completely or is missing required signatures. This includes all off-campus recitals.

3. Requests are processed in the order they are received. A confirmation notice is sent when the date has been assigned. Only one date will be reserved per student and recital dates/times may not be traded or changed without permission from the Facilities Scheduling Coordinator.

4. Once a date has been assigned, complete the Event Tech/Set-Up Form, which can be picked up in MU 120. This information is vital to staff and equipment scheduling. Submit the form no later than 14 days prior to your scheduled performance.

5. Due to the high volume of performances, dress rehearsals in the scheduled performance space cannot be guaranteed; however, every effort will be made to work with you and get one scheduled. Questions concerning any further details pertinent to the performance date itself (warm-up time, stage management support, etc.), should be directed to the Facilities Scheduling Coordinator. Please come by MU 120 or call Ext. 5400.
RECITAL FEES
There is a non-refundable recital fee of $50 charged to students enrolled in Recital. This fee applies to all student recitals, regardless of venue.

RECITAL HEARING REQUIREMENT
Students must pass a recital hearing before appropriate area faculty at least two weeks prior to the scheduled recital date. Ask your advisor for details.

PROGRAMS
The Scheduling Office (MU 118) handles all School of Music programs. Please submit both a hard copy of all materials to MU 118 at least two weeks prior to your event, and send the program information in the body of an email. Program information must be proofread by the applied instructor before they are printed. The finished programs are delivered to the box office and passed out by School of Music stage managers and ushers. For important detailed information on programs (formatting, procedures, etc.), see Program Procedures.

- NO LESS THAN TWO WEEKS IS REQUIRED TO PREPARE PROGRAMS

POSTING POLICIES
Please inquire in MU 129 for policies on posting information (performance posters, job openings, etc.). Do not tape on any surface—doors and windows included—in the Music Building or CFA Building. Post on office doors only with permission. Do not alter postings already approved (this includes bulletin boards). Unapproved postings will be removed.

ADVISING AND REGISTERING FOR CLASSES
Incoming Freshmen and Transfer students attend New Student Orientation (NSO) organized by University Recruitment and Orientation Services prior to their first fall semester. After the initial summer advising, students are assigned a permanent advisor in the school of music. See the Advisors list in this handbook on p. 6.

Majors and Minors are required to make an appointment to meet with their advisors each semester within the two weeks prior to the registration period for the upcoming semester. Each student should study the appropriate four-year degree plan before the advising session and provide a drafted schedule for discussion. Students are encouraged to register as soon as registration is open in order to secure prime times and days.

- Registration for Spring 2018 begins November 13, 2017
- Registration for both Summer and Fall 2017 begins April 2, 2018

Pay close attention to the calendar of the Office of the Registrar regarding adding and dropping classes. Adhere to Add/Drop dates so that withdrawals are complete and that fees are charged and paid within the requested dates and times.
TUITION REFUND

In order to receive 100% refund/credit, classes should be dropped prior to the official first day of class for the appropriate session. Direct all questions concerning fees and/or fee payment to the Bursar's Office, 115 Wilder Tower; (901) 678-5579.

GRADUATION CHECKOUT PROCEDURES

Students intending to graduate must make an appointment with Rika Hudson, Graduation Analyst. She is located in the Dean’s Office of the College of Communication and Fine Arts. Make an appointment by calling (901) 678-2350.

After meeting with Ms. Hudson the student should bring the Statement of Graduation to Karen Mueller, Office Associate in the Main Office (MU 123), for verification of concert attendance, to the Associate Director for Undergraduate Studies, Kevin Richmond, for signature, and to the Director of the School of Music, John Chiego, for signature. After obtaining all signatures in the School of Music, the form is returned to Ms. Hudson in the CFA Dean's office. Adhere to the filing deadlines indicated here:
