

Fellow Students,

It is that time of year again, Christmas. The SNA has adopted two Angels to help the Salvation Army provide gifts for them. We have adopted a 9 year old boy and a 96 year old woman. We are still in need of donations to purchase the gifts to make these special Angels wishes come true. We also need help on Tues. Dec. 1st to receive the donations for the Angel Tree that other organizations will provide. We will be at Newport Hall from 7:30 am to 3:00 pm. Come join us any time during this day and get into the Christmas spirit early by volunteering some of your time to help the Salvation Army make wishes come true for their special Angels. Please contact dapayne@memphis.edu if you can contribute to this very special project, or come on by Newport Hall on Dec. 1st between 7:30 am and 3:00 pm to join in on the fun and holiday spirit.

Thank you,
Deidra Payne, SN
