### **Standardized Admission Test**

The standardized admission test is successful completion of the NCLEX licensing examination. The Graduate Record Examination (GRE) is waived.

### **Admission Requirements for BSN Applicants**

Completion of BSN.

### **Admission Requirements for RN/MSN Applicants with a BA/BS non-nursing major**

- 1) An unrestricted registered nursing license to practice in Tennessee
- 2) Completion of a 13 unit RN/MSN nursing bridge sequence: NURS 3107, NURS 4120/6120, NURS 4127/6127, NURS 4110/6110; NURS 4327/6327. RN/MSN graduates will not be awarded the BSN degree.

*Note: The Nurse Practice Acts in several states require that nurses hold an earned degree (AAS/BSN in nursing) or a diploma in nursing prior to successful completion of the NCLEX examination in order to obtain a registered nursing license in that state. Generic master's students who licensed via a certificate program and then continued to obtain an MSN as the first nursing degree would not be able to be licensed in those states.*

#### **Application deadlines for Students**

- **February 15\*** . . . . . **Fall term**
- **October 1\*** . . . . . **Spring term**

**\*File must be complete on this date.**

This application reflects requirements in effect at the time of publication, but is no guarantee that they will not be changed or revoked.

Because the University seeks to provide in as much as possible a reasonably safe environment for its health career students and their patients, a student may be required during the course of the program to demonstrate their physical and/or emotional fitness to meet the essential requirements of the program. Such essential requirements may include freedom from communicable diseases, the ability to perform certain physical tasks, and suitable emotional fitness. Any appraisal measures used to determine such physical and/or emotional fitness will be in compliance with Section 504 of the Rehabilitation Act of 1973 and the American with Disabilities Act of 1990, so as not to discriminate against any individual on the basis of disability.

Students must meet core performance standards for admission and progression as follows:

- A. Critical thinking ability sufficient for clinical judgment.
- B. Interpersonal abilities sufficient to interact with individuals, families, and groups from a variety of social, emotional, cultural, and intellectual backgrounds.
- C. Communication abilities sufficient for interaction with others in verbal and written form.
- D. Physical abilities sufficient to move from room to room and maneuver in small places.
- E. Gross and fine motor abilities sufficient to provide safe and effective nursing care.
- F. Auditory ability sufficient to monitor and assess health needs.
- G. Visual ability sufficient for observation and assessment necessary in nursing care.
- H. Tactile ability sufficient for physical assessment.

I understand that there will be additional fees for clinical nursing classes and activities.
