Lease:

Once an assignment has been made, payment of first and last month's rent is due prior to move-in or ten working days (whichever is first.) The first month's rent is non-refundable. Students are required to sign a 10-month housing contract for the academic year (fall and spring semesters). The student may be released from the contract for the spring semester if written notification is provided to the Department of Residence Life and Dining Services prior to November 1, with no penalty. November 1 through January 2, the student is responsible for the last month's rent. If the student remains in housing on the first day of classes, the student is responsible for the remainder of the contract (spring semester) rent. A separate contract will be made for summer session.
