DD Form 295 must be presented to the Admissions Office for evaluation.

Veterans who have completed one year or more of continuous full-time active military service will receive a waiver of the required physical activity course, but will be required to take HMSE 1100 Concepts of Fitness and Wellness. Upon presentation of a copy of the veteran's report of separation (DD Form 214) to the Admissions Office, six semester hours of health and physical education credit will be awarded. Veterans with less than one year of continuous full-time service who have completed basic training while on active duty will be awarded credit as recommended in the Guide to the Evaluation of Educational Experiences in the Armed Forces.

## 3. Credit for Non-collegiate Sponsored Instruction

Credit is awarded for non-collegiate sponsored instruction offered by corporations, associations, labor unions, government agencies, and training providers which has been evaluated by the Program on Non-collegiate Sponsored Instruction of the American Council of Education and recommended in the current Guide to Educational Programs in Non-collegiate Organizations. The Admissions Office should be contacted for information.

## 4. Credit by Examination

Credit by examination is awarded based upon standardized examinations and upon examinations administered by departments of the University for specific courses and for placement. Students may not take an examination for credit in a course previously taken for credit, with the exception of lower division transfer courses that the student wishes to validate for upper division credit. Students may, however, take an examination for credit in a course that was audited or in courses at a lower level than a course taken for credit. Credit by examination may not be used to satisfy the Computation Intensive, Writing Intensive, and Integration requirements of the General Education Program.
