

AWARDS: July 1, 2002 - June 30, 2003

July, 2002

Burkey, Theodore, Chemistry - \$97,000. National Science Foundation. "Design of Organometallic Molecular Machines."

Darnell, Susanne, University College - \$15,000. Federal Emergency Management Agency. "Degree at a Distance Fire Program: Instruction and Recruitment."

Floyd, Randy, Psychology - \$5,000. Woodcock-Munoz Foundation. "CHC Broad Cognitive Ability Profiles of Gifted Children and Children with Mental Retardation."

Franklin, Stanley, Computer Science - \$61,619. Resource Consultants, Inc. "Applying Collaborative Agent (CIA) Technology to Navy Enlisted Distribution and Assignment Systems."

Franklin, Stanley, Computer Science - \$44,703. Resource Consultants, Inc. "Applying Collaborative Agent (CIA) Technology to Navy Enlisted Distribution and Assignment Systems."

Graesser, Arthur, Psychology - \$433,214. National Science Foundation. "Developing Auto Tutor for Computer Literacy and Physics."

Haddock, John, Vice Provost for Academic Affairs - \$10,000. Memphis City Schools. "Summer AP Projector- Memphis City Schools- Memphis Urban Systematic Program."

Haddock, John, Vice Provost for Academic Affairs - \$1,500. Memphis University School. "Summer AP Project - Memphis University School."

Hamrick, Mike, Human Movement Sciences and Education - \$25,000. Tennessee Department of Human Services. "NYSP National Youth Sports Program."

Hovda, Ric, College of Education - \$40,000. Unite Foundation, Unite Project."

Johnston, Jill, Center for Earthquake Research and Information - \$20,000. University of Illinois at Urbana-Champaign. "News Media Education Workshops."

- Kung, Hsiang-Te, Geography - \$64,000. U.S. Department of Education. "Short-term Seminar on Chinese Culture."
- Lipinski, Martin, Civil Engineering - \$8,000. University of Missouri - St Louis. "Travel Information Systems at the User Level."
- Louwerse, Max, Psychology - \$21,023. CHI Systems, Inc. "Voice Interaction and Recognition for Virtual Environments (VIRVE)."
- Luebbers, Leslie, College of Communication & Fine Arts - \$20,000. Rockefeller Foundation. "Coming Home! Self Taught Artists, the Bible and the American South."
- Martin, Cynthia, Anthropology - \$7,010. Child Advocacy Center. "Child Protection Investigative Team Information System Plan."
- Meier, Roger, Civil Engineering - \$97,131. The University of Tennessee, Knoxville. "LTPP Data Analysis: Daily and Seasonal Variations in Insitu Material Properties."
- Murrell, Patricia, Center for the Study of Higher Education - \$149,582. State Justice Institute. "Institute for Faculty Excellence in Judicial Education."
- Pezeshk, Shahram, Civil Engineering - \$2500. University of Illinois at Urbana-Champaign. "MAEC-Undergraduate Research Assistant."
- Powell, Christine, Center for Earthquake Research and Information - \$15,000. University of Illinois at Urbana-Champaign. "Coordination of the Hazard Definition Program."
- Ross, Steven, Counseling, Educational Psychology and Research - \$2,000. Out of State Local Schools. "2002 Georgia Formative Evaluation."
- Ross, Steven, Counseling, Educational Psychology and Research - \$4,200. Shelby County Schools. "Even Start in SCS 2002."
- Ross, Steven, Counseling, Educational Psychology and Research - \$21,514. Decatur School District #61. "Decatur Schools Formative Evaluation Project."
- Simco, Bill, Biology - \$7,000. Southern Regional Aquaculture Center. "Development of Improved Harvesting, Grading and Transport Technology for Finfish Aquaculture."
- Smalley, Robert, Center for Earthquake Research and Information - \$75,875. National Science Foundation. "Collaborative Research: Integrated Geodetic, Seismological and Geodynamic Studies of

Deformation in the Central and Southern Andes.”

Studebaker, Gerald, Audiology and Speech/Language Pathology - \$75,000. National Institutes of Health. “Hearing Aid Characteristic Selection.”

Ward, Kenneth, University of Memphis Prevention Center - \$76,101. National Institutes of Health. “Biobehavioral Risk Factors for Bone Loss in Athletes.”

Ward, Kenneth, University of Memphis Prevention Center - \$26,588. National Institutes of Health. “Minority Graduate Research Supplement for Kami E. Mays (Biobehavioral Risk Factors for Bone Loss in Athletes.”

Williams, Charles, Anthropology - \$63,400. Tennessee Department of Health. “Office of Minority Health Prevention Evaluation.”

Withers, Mitchell, Center for Earthquake Research and Information - \$15,001. University of Illinois at Urbana-Champaign. “ANSS Planning for Mid-America.”

August, 2002

Anderson, Jerry, Civil Engineering - \$9,000. Town of Collierville. “Ground Water Institute.”

de Jongh, Amy, Biomedical Engineering - \$50,000. American Heart Association. “Improving Transthoracic Atrial Defibrillation: Optimizing Electrode Configurations.”

Donnell, Chandra, Center for Rehabilitation and Employment Research - \$24,898. Tennessee Department of Human Services. “Tennessee Technology Access Program.”

Eckstein, Eugene, Biomedical Engineering - \$6,000. The University of Tennessee, Memphis. “An Industrial Internship Program for the Joint Graduate Program in Biomedical Engineering (The Whitaker Foundation).”

Franklin, Stanley, Computer Science - \$18,850. Battelle, Intelligent Distribution Agents.”

Gnuschke, John, Bureau of Business and Economic Research - \$38,000. Gate Gourmet Division America. “Analysis of Pricing Structure - Gate Gourmet Division America.”

Gnuschke, John, Bureau of Business and Economic Research - \$143,796. Tennessee Department of Labor. “Tennessee Department of Labor/Workforce Development-Workforce Investment Act Technical Assistance Plan.”

- Hall, Mary, College of Education - \$3,000. Tennessee Higher Education Commission. "Project Licensure: Preparing Practicing Non-Licensed Minority Teachers for Licensure and Permanent School Placement."
- Houk, Larry, Chemistry - \$15,000. Memphis Public Services and Neighborhoods. "Radon, Energy, Air Project (REAP)."
- Houk, Larry, Chemistry - \$12,000. Memphis Public Services and Neighborhoods. "Solid Waste Environmental Enrichment Project (SWEEP)."
- Huang, Ken, Art Department - \$1,486. Southwest Tennessee Community College. "Dual Service Agreement."
- Janikowski, Richard, Criminology and Criminal Justice - \$75,000. Memphis/Shelby County Crime Commission. "Criminal Justice Information Project."
- Kedia, Satish, Anthropology - \$450,000. Tennessee Department of Health. "Tennessee Outcomes for Alcohol and Drug Services (TOADS)."
- Kedia, Benwari, Robert Wang Center for International Business - \$355,000. U.S. Department of Education. "Center for International Business Education and Research (CIBER)."
- Kennedy, Michael, Biology - \$6,000. American Ordnance. "Breeding Bird Survey."
- Kennedy, Michael, Biology - \$11,500. American Ordnance. "Rare Mammal Survey."
- Kennedy, Michael, Biology - \$23,000. American Ordnance. "White tailed Deer Assessment."
- Levitt, Heidi, Psychology - \$13,000. The University of Tennessee, Memphis. "Attitudes, Awareness, & Prevalence of Domestic Violence in Faith Communities."
- Lichstein, Kenneth, Psychology - \$288,193. National Institutes of Health. "Treatment of Hypnotic Dependence in Older Adults."
- Lindner, Erno, Biomedical Engineering - \$83,500. National Science Foundation. "Current Polarized Ion-Selective Membranes for Enhanced Analytical Performances."
- Lustig, Daniel, Counseling, Educational Psychology and Research - \$100,000. U.S. Department of Education. "Rehabilitation Counselor Training Program."
- Malloy, John, Fogelman College of Business & Economics - \$206,517. Tennessee Board of Regents.

“TSBDC Service Center.”

Parish, Harlie, Chemistry - \$2,353. Southwest Tennessee Community College. “Dual Service Agreement.”

Ross, Steven, Counseling, Educational Psychology and Research - \$2,000. Out of State Local Schools. “2002 Georgia Formative Evaluation.”

Ross, Steven, Counseling, Educational Psychology and Research - \$2,000. Out of State Local Schools. “2002 Georgia Formative Evaluation.”

Ross, Steven, Counseling, Educational Psychology and Research - \$1,575. University of North Carolina at Greensboro. “2002 SERVE Report Preparation Contract.”

Ross, Steven, Counseling, Educational Psychology and Research - \$21,500. Brazos-Sabine Connection. “2002 Brazos Sabine Project.”

Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools. “2003 Georgia Formative Evaluation Cohort 3.”

Ross, Steven, Counseling, Educational Psychology and Research - \$2,000. Out of State Local Schools. “2002 Georgia Formative Evaluation.”

Smith, Roger, Civil Engineering - \$65,514. U.S. Army Corps of Engineers. “U.S. Army Corps of Engineering, Memphis.”

Sparger, Dona, Student Disability Services - \$208,089. Tennessee Department of Human Services. “Disability Support Services.”

Strauser, David, Counseling, Educational Psychology and Research - \$460,912. Tennessee Rehabilitation Services. “Training and Technical Assistance Project.”

Tan, Wai, Mathematical Sciences - \$276,725. National Institutes of Health. “Modeling HIV Epidemic and IV Drug Use.”

Tang, Boxin, Mathematical Sciences - \$111,823. National Science Foundation. “General Theory of Minimum Aberration and its Applications.”

Williams, Charles, Anthropology - \$295,000. Tennessee Department of Health. “Tennessee Alcohol and Drug Preventional Outcomes Longitudinal Evaluation (TADPOLE).”

Withers, Mitchell, Center for Earthquake Research and Information - \$96,364. U.S. Geological Survey. "Cooperative Central and Southeast U.S. Seismic Network – CERI."

September, 2002

Eckstein, Eugene, Biomedical Engineering - \$180,000. Whitaker Foundation. "An Enduring Alliance for Industrial Internships."

Imig, Douglas, Political Science - \$835,000. U.S. Department of Education. "Fund for the Improvement of Post-Secondary Education."

Janikowski, Richard, Criminology and Criminal Justice - \$197,496. Memphis/Shelby County Crime Commission. "Center for Community Criminology and Research."

Kung, Hsiang-Te, Geography - \$24,166. City of West Memphis, Arkansas. "Development of Hazard Mitigation Data Base (Plan) for West Memphis and Crittendon County, Arkansas."

Kurtz, Henry, Chemistry - \$41,992. Air Force Research Laboratory. "Bonding and Stability in Mixed Oxide Materials for Use as High-k Dielectrics."

Langston, Charles, Center for Earthquake Research and Information - \$18,720. Pennsylvania State University. "Seismic Investigation of Crust and Upper Mantle Structure beneath the Ethiopia/Afar Hotspot."

Li, Ying, Chemistry - \$87,999. Air Force Research Laboratory. "Sol-Gel Coating for Corrosion Protection of Metals."

Lowther, Deborah, Instruction and Curriculum Leadership - \$140,000. The CNA Corporation. "Regional Technology in Education Consortia for Appalachian Region."

McNamara, Danielle, Psychology - \$1,425,200. U.S. Department of Education. "Coh-Metrix: Automated Cohesion and Coherence Scores to Predict Text Readability and Facilities Comprehension."

Parrill-Baker, Abby, Chemistry - \$44,383. The University of Tennessee, Memphis. "Study of Phospholipid Growth Factor Receptors."

Pezeshk, Shahram, Civil Engineering - \$10,000. Mid-America Earthquake Center. "Instrumentation of the I-40 Mississippi River Bridge in Memphis, TN."

Pezeshki, S., Biology - \$36,000. U.S. Department of Agriculture. "Improving Success of Willow Cuttings Planted in Damaged Riparian Zones."

- Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools.
"2003 Georgia Formative Evaluation Cohort 3."
- Ross, Steven, Counseling, Educational Psychology and Research - \$30,000. Hyde Family Foundations.
"2003 Memphis KIPP Evaluation."
- Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools.
"2003 Georgia Formative Evaluation Cohort 3."
- Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools.
"2003 Georgia Formative Evaluation Cohort 3."
- Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools.

Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools. "2003 Georgia Formative Evaluation Cohort 3."

Samaha, Hikmat, Center for Student Development - \$598. Tennessee Foreign Language Institute. "Arabic Foreign Language Instruction."

Strauser, David, Counseling, Educational Psychology and Research - \$2,319,682. Tennessee Rehabilitation Services. "The Coordination of Assistive Technology Services."

Withers, Mitchell, Center for Earthquake Research and Information - \$9,000. U.S. Geological Survey. "Cooperative Central and Southeast U.S. Seismic Network - CERI."

Withers, Mitchell, Center for Earthquake Research and Information - \$85,000. National Science Foundation. "Upgrading of the CERI Computing Services."

October, 2002

Betts, Phyllis, School of Urban Affairs and Public Policy - \$27,000. Seedco. "Americorps-Digital Divide."

Buggey, Thomas, Instruction and Curriculum Leadership - \$109,549. Tennessee Department of Education. "Make A Difference Project."

Buggey, Thomas, Instruction and Curriculum Leadership - \$47,846. Tennessee Department of Education. "RISE - Memphis City Schools Transition Grant."

Cooley, Sandra, Instruction and Curriculum Leadership - \$310,457. Tennessee Department of Education. "Special Education Institute XV: 2002-2003."

Cundari, Thomas, Chemistry - \$60,000. National Science Foundation. "Computational Studies of Inorganic and Organometallic Complexes and Catalysts."

DeBon, Margaret and Klesges, Robert C., University of Memphis Center for Community Health - \$35,179. The University of Tennessee, Memphis. "The Use of Sibutramine in Smoking Cessation."

Dorman, Henry and Withers, Mitch, Center for Earthquake Research and Information - \$700. Explosive Services International. "Seismic Observations at Greenville, MS."

Dwyer, William and McConnell, Charles, Psychology - \$6,578. Various Corporations. "Industrial - Organizational Psychology Services."

Franceschetti, Donald, Physics - \$264,563. Memphis City Schools. "University of Memphis Participation in Gear Up."

Franklin, Scott, Biology - \$15,973. University of Arizona. "Identify the Biodiversity Research Needs Related to Fragmentation."

Fry, Andrew and Weiss, Lawrence, Human Movement Sciences and Education - \$55,000. Nutricia. "Anabolic Recovery Supplementation and High Power Resistance Exercise Overtraining."

Giannangelo, Duane, Instruction and Curriculum Leadership - \$2,893. Tennessee Department of Education. "Title I School Support Team."

Gnuschke, John, Bureau of Business and Economic Research - \$136,512. Tennessee Department of Labor. "Labor Exchange Customer Satisfaction Survey Project."

Gnuschke, John, Bureau of Business and Economic Research - \$1,259,260. Tennessee Department of Human Services. "Families First Research and Technical Assistance (Customer Service Project)."

Gnuschke, John, Bureau of Business and Economic Research - \$79,534. City of Memphis. "City of Memphis Forecasting Project."

Gould, Herbert, Audiology and Speech/Language Pathology - \$10,000. UT Memphis – Otolaryngology. "Research Consultation for Residents and Staff in UT Department of Otolaryngology."

Gould, Herbert, Audiology and Speech/Language Pathology - \$5,000. UT Memphis – Otolaryngology. "Dual Service Agreement."

Graesser, Arthur, Psychology - \$95,997. University of Illinois at Chicago. "Understanding in Science."

Henrici, Jane, Anthropology - \$16,326. Pennsylvania State University. "Welfare, Children, and Families: A Three-City Study."

Janikowski, Richard, Criminology and Criminal Justice - \$38,124. Community Institute for Early Childhood. "Update of Inventory of Services Directory and Pilot Project Analyzing Referral Network in Early Child Health."

Kennedy, Michael, Biology - \$6,000. American Ordnance. "Wildlife Project."

Klesges, Robert, University of Memphis Center for Community Health; Murray, David and Graesser, Arthur, Psychology - \$206,526. National Institutes of Health. "Decreasing Weight Gain in African American Preadolescent Girls."

Klesges, Robert, University of Memphis Center for Community Health; Murray, David and Graesser, Arthur, Psychology - \$16,541. National Institutes of Health. "Decreasing Weight Gain in African American Preadolescent Girls."

Langston, Charles, Center for Earthquake Research and Information - \$104,984. U.S. Department of Energy. "Regional Wave Propagation, Crustal Structure and Seismic Sources of Central Asia."

Malkin, Robert, Biomedical Engineering - \$77,484. Whitaker Foundation. "Activation Mapping: Rapid Pacing and the Upper Limit of Vulnerability to Fibrillation."

McNamara, Danielle, Psychology - \$2,244,913. National Science Foundation. "Promoting Active Reading Strategies to Improve Students' Understanding of Science."

Nasraoui, Olfa, Electrical and Computer Engineering - \$22,500. Southeastern Center for Electrical Engineering Education. "A Unified Look at Genetic Niching, the Baldwin Effect, and Immune Learning, with New Machine Learning Paradigms."

Rho, Jae-Young, Biomedical Engineering - \$2,001. University of Tennessee, Department of Medicine. "Dual Service Agreement."

Robinson, Leslie and Riedel, Brant, Psychology - \$275,146. National Institutes of Health. "Developing a Smoking Cessation Program for Adolescents."

Ross, Steven, Counseling, Educational Psychology and Research - \$111,214. New American Schools. "2002 NAS Illinois Project."

Scott, Margaret, Center for Student Development - \$91,920. U.S. Department of Education. "Creative Arts, Parental Involvement Technology (CAPIT)."

Strauser, David, Counseling, Educational Psychology and Research - \$20,004. Tennessee Rehabilitation Services. "The Coordination of Assistive Technology Services."

Turner, Sandra, Barbara K. Lipman Early Childhood School - \$48,523. Tennessee Department of Mental Health and Mental Retardation. "Project Memphis."

Waldron, Brian, Ground Water Institute - \$50,000. Tennessee Department of Environment and Conservation. "Video - Unconfined Aquifers."

Ward, Kenneth and Klesges, Robert, University of Memphis Center for Community Health - \$334,377. National Institutes of Health. "Establishment of the Syrian Center for Tobacco Studies."

Wark, David, Audiology and Speech/Language Pathology - \$64,051. Tennessee Department of Education. "Teaching Institute in Speech-Language Pathology/Audiology."

November, 2002

Aiken, Margaret, Loewenberg School of Nursing - \$22,300. Memphis Mental Health Institute. "Dual Service Agreement."

Brackstone, Samuel, Public Service - \$45,000. The University of Tennessee, Center for Industrial Services. "Industry Assistance."

Buggey, Thomas, Instruction and Curriculum Leadership - \$296,816. Tennessee Department of Education. "Restructuring for Inclusive School Environments (RISE)."

Burrell, Luz, Regional Economic Development Center - \$100,000. Economic Development Administration. "EDA University Center Program."

Ferkin, Michael and Wolff, Jerry, Biology - \$107,056. The University of Tennessee, Memphis. "Mouse Genome - Social Behavior Domain."

Franceschetti, Donald, Physics - \$32,682. Southwest Tennessee Community College. "SWTCC Bridge Program to the Biomedical Sciences."

Fry, Andrew and Weiss, Lawrence W., Human Movement Sciences and Education - \$1,673. Nutricia. "Anabolic Recovery Supplementation and High Power Resistance Exercise Overtraining."

Giannangelo, Duane, Instruction and Curriculum Leadership - \$1,741,932. Tennessee Department of Education. "Title I - Comprehensive School Reform Grant."

Hall, Mary, Cummings, Bonnie, and Weddle-West, Karen D., College of Education - \$50,000. Tennessee Higher Education Commission. "Project Licensure: Preparing Practicing Non-Licensed

Minority Teachers for Licensure and Permanent School Placement.”

Holland, Kenneth, Political Science - \$6,000. Government of Canada. “Canadian Studies.”

Hsueh, Yeh, Counseling, Educational Psychology and Research - \$50,000. Arizona State University. “Continuity and Change in Preschools of Three Cultures: China, Japan and the United States.”

Huang, Ken, Art Department - \$2,000. Southwest Tennessee Community College. “Dual Service Agreement.”

Kidder, Jan, Barbara K. Lipman Early Childhood School - \$1,380. Southwest Tennessee Community College. “Dual Service Agreement.”

Kozma, Robert, Balister, Paul N., and Bollobas, Bela, Computer Science - \$213,116. National Science Foundation. “Dynamical Behavior in Percolation Models Related to Phase Transitions during Sensory Information Processing in CNS.”

Kreuz, Roger, Psychology - \$5,000. University of Nevada, Reno. “Survey of Southern Speech - REU (Research Experience for Undergraduates).”

McNamara, Danielle, Psychology - \$21,903. Old Dominion University Research Foundation. “Data Link Aircraft Communications: An Examination of Interference, Coherence and Workload.”

Meier, Roger, Civil Engineering - \$22,112. The University of Tennessee Transportation Center. “Incorporation of Pavement Temperature in Flexible Pavement Design.”

Mele, Nancy, Loewenberg School of Nursing - \$4,000. University of Arkansas for Medical Sciences - College of Medicine. “Consumer Satisfaction Study.”

Mittleman, Guy and Matthews, Douglas B., Psychology - \$130,446. The University of Tennessee, Memphis. “Targeted Mutagenesis of the Mouse Genome and Neural Phenotypes.”

Reed, Donna, Instruction and Curriculum Leadership - \$2,759. Southwest Tennessee Community College. “Dual Service Agreement.”

Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools. “2003 Georgia Formative Evaluation Cohort 3.”

Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools. “2003 Georgia Formative Evaluation Cohort 3.”

Ross, Steven, Counseling, Educational Psychology and Research - \$2,100. Various Georgia Schools. "2003 Georgia Formative Evaluation Cohort 3."

Saadat, Hassan, Audiology and Speech/Language Pathology - \$1,883. Southwest Tennessee Community College. "Dual Service Agreement."

Saadat, Hassan, Audiology and Speech/Language Pathology - \$2,824. Southwest Tennessee Community College. "Dual Service Agreement."

Smith, Dennie and Self, Judy H., Instruction and Curriculum Leadership - \$2,681,185. Tennessee Department of Education. "Tennessee's Early Intervention System."

Weaver, Louella, Anthropology - \$5,000. Tennessee Arts Commission. "Arts Project Support-Tile Mosaic for Chucalissa Museum."

December, 2002

Bodin, Paul, Center for Earthquake Research and Information - \$20,000. University of Illinois at Urbana-Champaign. "Intraplate Source Modeling."

Brooks, Lloyd, Management Information Systems - \$15,217. Tennessee Department of Education. "Professional Development Activities for Information Technology Teachers."

Dwyer, William, Leeming, Frank C., and McConnell, Charles F., Psychology - \$999,310. Tennessee Governor's Highway Safety Program. "Driving Under the Influence Information Tracking System, Phase I (DUIITS Phase I)."

Dwyer, William, Psychology - \$11,550. Various Corporations. "Industrial - Organizational Psychology Services."

Frigui, Hichem, Electrical and Computer Engineering - \$63,322. University of Florida. "Developing Algorithms for Detecting Landmines using GSTAMIDS."

Johnston, Jill and Patterson, Gary L., Center for Earthquake Research and Information - \$15,000. University of Illinois at Urbana-Champaign. "News Media Education Workshops."

Mittleman, Guy, Psychology - \$29,147. Wayne State University. "Cognitive Aging Subcontract."

Moore, Larry, Civil Engineering - \$55,000. The University of Tennessee, Center for Industrial Services. "Tennessee Manufacturing Extension Partnership Research Fellowship."

Ross, Steven, Counseling, Educational Psychology and Research - \$4,000. Learning Effects, Inc. "2003 Scoring Camp 2002 Project."

Ross, Steven, Counseling, Educational Psychology and Research - \$2,000. Out of State Local Schools. "2002 Georgia Formative Evaluation."

Smith, Dennie, Instruction and Curriculum Leadership - \$64,800. Memphis City Schools. "National Board Pre-Candidacy."

Thomas, Elizabeth, Loewenberg School of Nursing - \$22,300. Memphis Mental Health Institute. "Dual Service Agreement."

Williams, Calvin and Mickle, George D., Tennessee Small Business Development Center - \$90,000. Tennessee Department of Economic and Community Development. "TN Energy Institute."

Withers, Mitchell, Center for Earthquake Research and Information - \$355,000. U.S. Geological Survey. "Cooperative Central and Southeast U.S. Seismic Network - CERI."

Wong, Tit-Yee, Microbiology and Molecular Cell Sciences - \$28,000. Proteomtech, Inc, "Consulting Work."

January, 2003

Anderson, Jerry, Ground Water Institute - \$92,827. Tennessee Department of Environment and Conservation. "Department of Environment and Conservation - GIS Support."

Anderson, Jerry, Ground Water Institute - \$200,000. Memphis Light, Gas & Water. "Ground Water Institute - MLGW."

Cooley, Sandra, Instruction and Curriculum Leadership - \$35,000. Tennessee Department of Education. "Assistive Technology Service Centers, Proposal for Fourth Year Funding, 2002-2003."

Dasgupta, Dipankar, Computer Science - \$100,000. Defense Advanced Research Projects Agency. "Immunity-based Intrusion Detection System."

Day, Ronald, Engineering Technology - \$7,543. Tennessee Department of Education. "Teacher Education."

Gnuschke, John, Bureau of Business and Economic Research - \$28,760. Tennessee Department of Labor. "Tennessee Department of Labor/Workforce Development-Workforce Investment Act Technical Assistance Plan."

- Gnuschke, John, Bureau of Business and Economic Research - \$6,000. Various Corporations. "Memphis Zoo Economic Impact Study."
- Gould, Herbert, Audiology and Speech/Language Pathology - \$5,000. UT Memphis – Otolaryngology. "Dual Service Agreement."
- Gould, Herbert, Audiology and Speech/Language Pathology - \$10,000. UT Memphis – Otolaryngology. "Research Consultation for Residents and Staff in UT Department of Otolaryngology."

- Klesges, Robert, Center for Community Health, and Murray, David, Psychology - \$43,355. University of Minnesota. "A Model DoD Systems Approach for Tobacco Cessation."
- Kozma, Robert, Franklin, Stanley P., and Harter, Derek S.
Computer Science - \$150,000. Ames Research Center (NASA). "Models of Self-Organizing Ontogenetic Development for Autonomous Adaptive Systems (SODAS)."
- Langston, Charles and Horton, Stephen P., Center for Earthquake Research and Information - \$30,000. University of Illinois at Urbana-Champaign. "Gujarat-NMSZ Correlations (HD-4)."
- Langston, Charles, Center for Earthquake Research and Information - \$40,000. University of Illinois at Urbana-Champaign. "Seismic Path Modeling (HD-5)."
- Lindner, Erno, Biomedical Engineering - \$30,000. Becton, Dickinson and Company. "Glucose Microsensor for Extremely Small Sample Volumes and Short Response Time."
- McConnell, Charles and Dwyer, William O., Psychology - \$329,748. Tennessee Governor's Highway Safety Program. "Integrated Traffic Records System: Phase II - Internet Accessibility."
- McConnell, Charles, Psychology - \$116,277. Tennessee Governor's Highway Safety Program. "Crash Diagramming Project: East Street Draw."
- Miller, Neil, Microbiology and Molecular Cell Sciences - \$12,000. Fullen Dock and Warehouse. "River Study."
- Mittleman, Guy, Psychology - \$96,567. National Institutes of Health. "INIA: Schedule-Induced Polydipsia and Excessive Ethanol Drinking in Mice."

Moreno, Kristen, Psychology - \$1,960. Society for the Psychological Study of Social Issues. "Understanding the Impact of Violent Video Games on Aggressive Behavior."

Odom, George, Tennessee Small Business Development Center - \$303,335. Tennessee Board of Regents. "TSBDC International Trade Center."

Patterson, Gary, Center for Earthquake Research and Information - \$30,000. University of Illinois at Urbana-Champaign. "Mid-America Information Transfer."

Pezeshk, Shahram, Civil Engineering - \$1,000. University of Illinois at Urbana-Champaign. "Consequence-Based Engineering Institute Scholarship."

Powell, Christine, Center for Earthquake Research and Information - \$15,000. University of Illinois at Urbana-Champaign. "Coordination of the Hazard Definition Program."

Pujol, Jose, Center for Earthquake Research and Information, and Pezeshk, Shahram, Civil Engineering - \$60,038. U.S. Geological Survey. "Determination of in-situ S wave Attenuation in the Sediments of the Mississippi Embayment using Existing Boreholes and Validation of Refraction Techni."

Pujol, Jose, Center for Earthquake Research and Information - \$43,000. U.S. Geological Survey. "High-Resolution 3-D Velocity Model for the Northridge-Los Angeles Basin Area from Tomographic Inversion of Local Arrival Time Data."

Rho, Jae-Young, Biomedical Engineering - \$5,000. University of Tennessee, Memphis. "Dual Service Agreement."

Ross, Steven, Counseling, Educational Psychology and Research - \$39,900. Various Georgia Schools. "2003 Georgia Formative Evaluation Cohort 3."

Ross, Steven, Counseling, Educational Psychology and Research - \$6,400. Colorado Children's Campaign. "2003 Small Schools Project."

Smalley, Robert and Ellis, Michael A., Center for Earthquake Research and Information - \$35,199. U.S. Geological Survey. "Reducing Earthquake Losses in the Central US through Incorporation of Strain Rate Data from GPS in Hazard Estimation."

Stevens, Patricia, Consumer Science and Education - \$5,738. Tennessee Department of Education. "Teacher Education Services: Family and Consumer Sciences."

Strauser, David, Counseling, Educational Psychology and Research - \$110,000. Tennessee Department of Human Services. "Families First: The Career Assessment Project."

Sutter, Thomas, Microbiology and Molecular Cell Sciences, and George, Ebenezer O., Mathematical Sciences - \$465,709. National Institutes of Health. "Integrative Neuroscience Initiative on Alcoholism-Bioanalytical Core."
