This exercise is a collaborative effort to better prepare our community for a large scale disaster and mass medical surge. Partners include the Shelby County Health Department, the Tennessee Department of Health, Agricenter International, hospitals and medical facilities in Shelby, Lauderdale and Tipton counties in Tennessee and DeSoto County in Mississippi, and other local emergency management agencies.

Volunteers are needed as “role players” to act as patients experiencing illnesses or injuries.

DATE: Wednesday, October 11, 2017
TIME: 7:30 a.m.—3:00 p.m. *Rain or Shine*
LOCATION: Agricenter International, Entrance C
7777 Walnut Grove, Memphis, 38120
CONTACT: Tina McElravey@shelbycountytn.gov or (901) 508-7327
