Volunteers Needed for Community Assessment Survey

With: Shelby County Health Department

When: October 10, 2015

Where: Assessment is being conducted within specific zip codes in Shelby County.

Who: Students of the University of Memphis School of Public Health

Why: Volunteers are needed to assist in the Community Assessment for Public Health Emergency Response (CASPER) exercise to assess the public’s knowledge of Tuberculosis. CASPER is an important tool for identifying community needs, both in disaster and non-disaster situations. Volunteers will survey and educate seven households within a designated zip code.

Additional Information: Volunteers will be required to attend Just in Time Training (JITT) the day of the assessment. Training will focus on (1) how the survey is to be conducted, (2) TB education for the public, and (3) statistical data surrounding Shelby County.

Prior to the event, volunteers will receive a notice to attend one of the following sessions at 814 Jefferson Avenue, Memphis, TN:

- **Session 1:** 8:30 a.m. Registration
  - 9:00 – 10:30 a.m. Just in Time Training
  - 10:30 – 1:00 p.m. Community Assessment Survey

- **Session 2:** 10:30 a.m. Registration
  - 11:00-12:30 p.m. Just in Time Training
  - 12:30 – 3 p.m. Community Assessment Survey

To sign up to volunteer, please go to [www.shelbycountytn.gov/mrc](http://www.shelbycountytn.gov/mrc). All volunteers must also be registered in the Tennessee Volunteer Mobilizer. To register, go to [www.tnmrc.org](http://www.tnmrc.org). For more information contact Tina McElravey via email: tina.mcelravey@shelbycountytn.gov or phone: 901.222.8200.
