If your question is: What are the documents that I need to submit in order to be accepted in the course? (Admission Requirements)

Answer:

1. Copy of your High School Diploma/College degree from a USA school or college. This diploma will prove that you do not have to take the OPI in English.

2. Copy of your High School Diploma/College degree from a foreign school/university. This diploma will prove that you do not have to take the OPI in Spanish or in another foreign language, depending on what your language is. (a language other than English: Spanish, French, Chinese, Arabic, etc.)

3. Registration Form

If you do not have a High School/College degree from the USA = You have to take the OPI in English.

If you do not have a High School/College degree from a foreign country (Mexico, for example) = You have to take the OPI in Spanish or in another foreign language, depending on whether you speak Spanish or a language other than English.

4. Copy of your OPI Certificate, if you have to take the OPI and the certificate is not sent to me but to you by the OPI people.
