

Peer Mentor Application

Mission of the SSS Peer Mentoring Program

The mission of the SSS Mentoring Program is to provide a welcoming and supportive environment at the University of Memphis for all incoming or current SSS students and to link them with successful role models.

Rewards of Being a Peer Mentor

- Obtain valuable experience in serving as a role model in a leadership capacity while building your résumé
- Receive recognition at the Annual SSS Awards Celebration

Duties of a Peer Mentor

- Welcome newcomers and take a personal interest in their development
- Share your knowledge, skills, and experience with other students
- Listen well, recognize excellence in others, and encourage excellence
- Offer support, challenge, patience, and enthusiasm while guiding protégés to new levels of competence
- Expose protégés to new ideas, perspectives, and standards
- Work in the SSS office 2 hours per week

Peer Mentor Qualifications

- Be a current U of M student
- Be in good academic standing
- Have a cumulative GPA of 3.0 or higher
- Be a sophomore or above in class standing
- Have attended the U of M for at least 2 semesters
