Defensive Driving 8 Hour Class Schedule

July 2011—December 2011

About our Defensive Driving 8 hour class

This course gives individuals the opportunity to observe bad driving habits and then learn the correct driving methods. This 8-hour course is offered to drivers who have been referred by the Tennessee Department of Safety Driver Improvement and have the option of attending a defensive driving course in lieu of suspension of driving privileges. The 8 hour course consists of safe driving videos, lectures and a written test on Tennessee road rules and signs. It is designed to improve your driving performance by decreasing driving errors. It will also increase your knowledge of traffic laws and regulations and develop a greater sense of driving responsibility.
