

Connecting on a PC - Windows 10

1. From the (A) Network settings, (B) select eduroam from the list of available wireless networks.

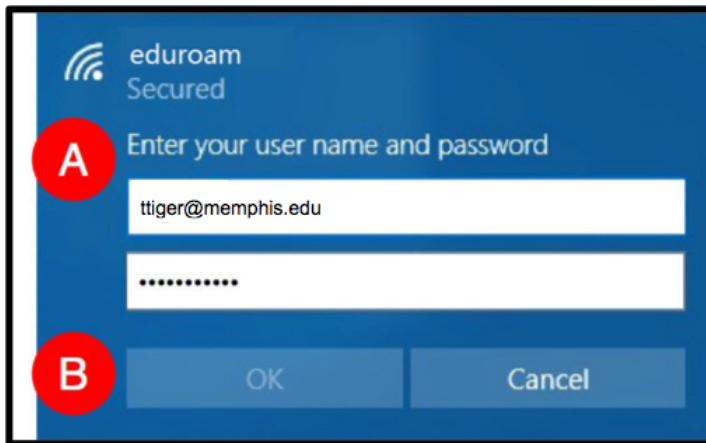

2. Click, Connect.

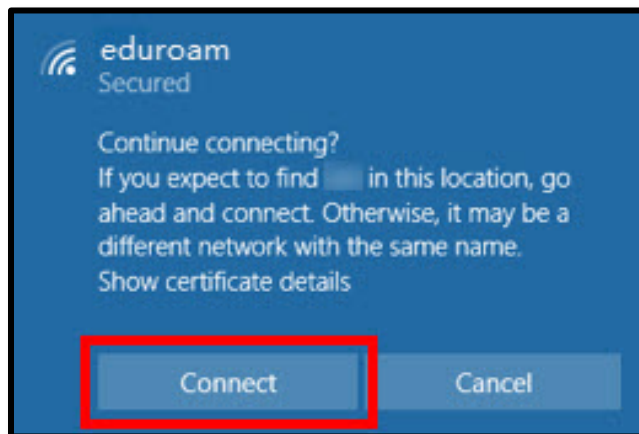

3. You will be prompted to (A) Enter your **university email** and **password**. Tom Tiger's user name is used (ttiger@memphis.edu).

Note: This is NOT the administrative password for your mobile device it is your university email and Password.

4. (B) Click OK.

5. Next, you will receive a Windows Security Alert - **Continue connecting?** Click **Connect**.

6. You are now connected to the eduroam wireless network.
