Connecting on a Mac

1. Select um wireless from the wireless network menu in the top-right corner of the screen.

2. Check the Remember this network box and sign in with your Username UUID (first part of your email address) and password. Click Join.

Note: This is NOT the administrative password for your computer. Your Username will be the first part of your UofM email address and Password associated with it.
3. Click **Continue**.

4. Sign in with your computer’s administrative password and click **Update Settings**.

5. You are now connected to the um wireless network.
