

## Connecting on a PC - Windows 10

---

1. From the (A) Network settings, (B) select **um** from the list of available wireless networks.

2. Click **Connect**.

3. You will be prompted to (A) enter your username (first part of your email address) and password. In this example, Tom Tiger's user name is used (ttiger).

*Note: This is NOT the administrative password for your computer. Your Username will be the first part of your UofM email address and Password associated with it.*

4. (B) Click OK.

5. Next, you will receive a Windows Security Alert - **Continue connecting?** Click **Connect**.

6. You are now connected to the um wireless network.
