Connecting on a PC - Windows 10

1. From the (A) Network settings, (B) select um from the list of available wireless networks.

2. Click Connect.
3. You will be prompted to (A) enter your username (first part of your email address) and password. In this example, Tom Tiger’s user name is used (ttiger).

Note: This is NOT the administrative password for your computer. Your Username will be the first part of your UofM email address and Password associated with it.

4. (B) Click OK.

5. Next, you will receive a Windows Security Alert - Continue connecting? Click Connect.

6. You are now connected to the um wireless network.
