Instructions for Completing the Final Draft

1. If you have made no course changes in the program of study approved by the MALS office in the “working draft” of the Program Contract:
 1. list the courses in your Coordinated Study on the “final draft” page;
 2. complete the front page of the “final draft”;
 3. sign the front page and have your Major Advisor sign the front page;
 4. submit the completed contract to the MALS office.

2. If you have made any course changes in the program of study approved by the MALS office in the “working draft” of the Program Contract:
 1. write a revised “Academic Goal Statement” that answers each of the following (must be typed, single-spaced, size 12 font only):
 - a. identify each course change;
 - b. for each course change, explain why you made the change;
 - c. for each course change, identify the course in the “working draft” for which the course is a substitute;
 - d. for each course change, explain how the course is related to the theme of your program;
 - e. for each course change, explain how the course relates to the other courses in your Coordinated Study.
 2. List the final courses in your Coordinated Study on the “final draft” sheet;
 3. Complete the front page of the “final draft,” sign it, and have your Major Advisor sign it;
 4. Submit the completed contract to the MALS office at least two weeks before you register for your final semester.
