

## OFFICE OF THE EXECUTIVE VICE PRESIDENT FOR ACADEMIC AFFAIRS AND PROVOST

Dear Students:

Based on the Drug Free Schools and Communities Act of 1989, the University of Memphis has developed the following document: *Annual Alcohol and Other Drug Notification of Standards, Sanctions, Health Information, Programs and Services*. This document was created to assist the campus community in understanding the standards of conduct for faculty, staff and students in relation to alcohol and drugs.

We strongly encourage each student to read and become familiar with the [Annual Notification of Alcohol and Other Drugs Standards, Sanctions, Health Information, Programs and Services](#) document. If you have questions or concerns, please contact the Office of Student Accountability at 901.678.2298 or [studentaccountability@memphis.edu](mailto:studentaccountability@memphis.edu).
