Helen Hardin Honors College

Big Ambitions Require Big Opportunities
Mission

• Cultivate a community of motivated and curious students.

• Provide opportunities and experiences for students to succeed while at the university and beyond graduation.

• Opportunities
  o Undergraduate Research
  o Honors Study Abroad Trip
  o National Student Exchange (open to all UofM students)
  o The Washington Center Internships (open to all UofM students)
  o Phi Kappa Phi National Honors Society
  o Honors Student Organization (RSO)
  o Honors Housing
  o Special Events
Undergraduate Research

- The Honors College coordinates the UofM's undergraduate research efforts.
  - Manages a database that matches undergraduates with researchers in all fields across campus.
  - Sponsors events on campus that provide opportunities for undergraduates to present their research.
    - Works-in-Progress Symposium (Fall)
    - UofM Student Research Forum (Spring)
  - Provides support for undergraduates to present research at conferences including the National Conference for Undergraduate Research (NCUR) and disciplinary conferences.
  - Publishes the annual QuaesitUM undergraduate research journal.
  - Provides funding for Honors Summer Research Fellowships (open to all majors and fields)
Get Involved with the Honors College

• Teach a departmental honors course and/or Honors Forum (first-year seminar)
• Serve as faculty advisor for a student’s honors thesis
• Serve on an advisory committee for the Honors College
• Encourage eligible students to apply for admission to the Honors College
• Request to post a position (paid or volunteer) for an undergraduate student research assistant
• Serve as Faculty Leader for the annual Spring Honors Study Abroad Tour
• Encourage students to participate in undergraduate research
• Serve as a moderator/reviewer for various undergraduate research events on campus
• Lead a discussion for an Honors Student Organization (HSO) event
