# Student Leadership and Professional Competencies

Students will be exposed to a variety of experiences that will enhance what they learn in the classroom. Below are the Student Leadership and Professional Competencies that University of Memphis students should develop through their various experiences on, and off, campus.

Career & Self  
Development

Equity &  
Inclusion

Teamwork

Communication

Leadership

Technology

Critical Thinking

Professionalism

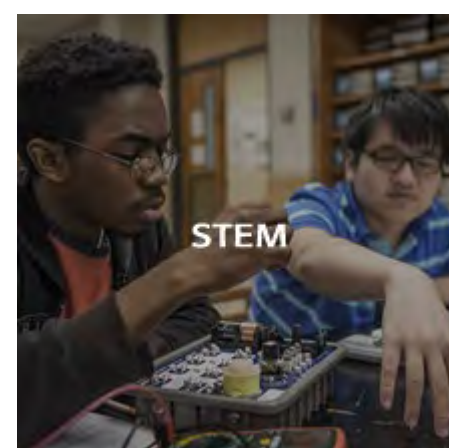

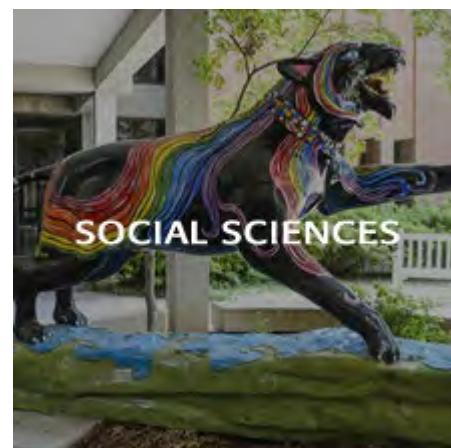

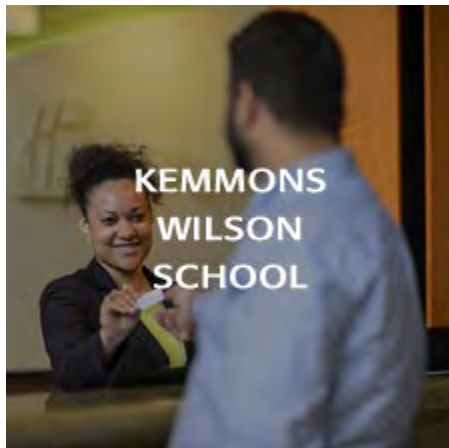

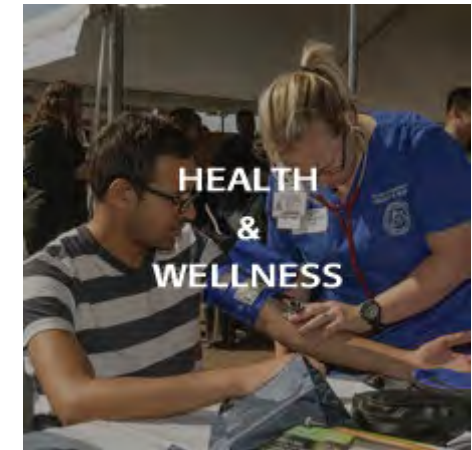

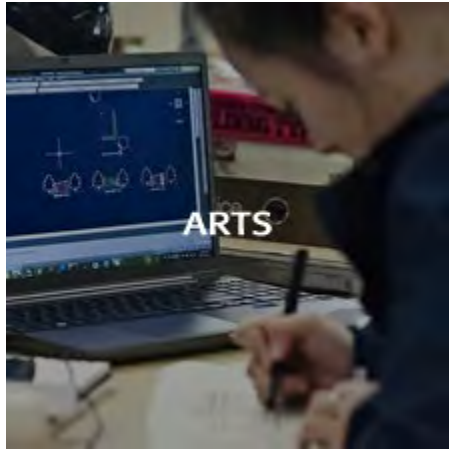

Civil  
Engagement

# Career Specialists in Academic Colleges

UofM offers more than 250 fields of study across 13 colleges and schools that are organized into Tiger Talent Communities by industry. Each talent community\* is served by a Career Specialist who competitively prepares students for major and industry specific career and internship opportunities and employer connections.

# Partner With Us

Below are several ways to partner with Career Services!

- **Refer Students**
  - Refer Students to our office for assistance with their career goals.
- **Schedule Classroom Visits**
  - Schedule a Career Specialist to visit your class to discuss a variety of career-related topics.
- **Join us for Workshops and Events**
  - Encourage students to attend or bring your class to career/professional development workshops and events.
- **Share Opportunities**
  - Please let us know if you are aware of career opportunities that we may assist with.
- **Social Media**
  - Chat us up on your social media channels. (The University of Memphis Career Services).
- **Integrate Career/Professional Development into Courses**
  - Collaborate with us to include career/professional development activities and/or assignments in your courses.
