CREWS SCHOOL OF **ACCOUNTANCY**

THE UNIVERSITY OF
MEMPHIS

Crews School of Accountancy

Are you an analytical person who loves working with numbers? Are you organized, detail-focused and particularly skilled at problem-solving? Are you able to communicate complex data clearly? If these skills align with yours, choosing to major in accounting may be the path for you.

Accountancy offers a range of exciting careers and opportunities; much more than the misconception of dull, number-crunching desk work. In actuality, the accounting field provides fundamental skills for a career path in the fast-paced, dynamic world of business. Majoring in this degree will equip you with the necessary proficiencies for successful entrepreneurial ventures.

As a universal profession, accountancy also offers geographic freedom – no matter where you choose to live – businesses and the private sector will always need accountants. A career in accountancy offers job stability and growth.

A CAREER IN DEMAND

Every organization — from small start-ups to global corporations — depends on accounting professionals to manage finances, ensure compliance and drive smart business decisions. With a growing talent shortage and strong starting salaries, accounting graduates can enjoy exceptional job security and advancement opportunities.

Beyond stability, an accounting degree builds powerful analytical and leadership skills that can lead to careers in audit, tax, consulting and corporate finance. If you are looking for a degree that offers opportunity, impact and long-term success, accounting delivers.

CAREER OPPORTUNITIES

Our accounting graduates have secured fulfilling, dynamic and well-compensated positions including, but not limited to:

- Certified Public Accountant (CPA)
- Chief Financial Officer
- Corporate Controller
- Certified Financial Planner (CFP)
- Business Manager
- Certified Internal Auditor (CIA)
- Bank Examiner
- Certified Management Accountant (CMA)
- Internal Revenue Service agent
