# MID SOUTH ACT ACCESSING HiSET

(formerly known as GED) For Vocational Rehabilitation (VR) Clients with Physical and/or Visual Disabilities that will Aid in Accessing HiSET (SOME R Trademark) Exam Preparation Materials!

Are you currently attending a HiSET preparation class and are unable to follow the instructions at the same pace as students without and/or physical disabilities? We can help!

There is a major need for a preparation class geared specifically to an individual with visual and/or physical disabilities. To meet this need, the Mid-South Access Center for Technology (ACT) is offering a program designed to explore the use of assistive technology devices and/or applications to access HiSET preparation materials.

What better way to help individuals with disabilities to be able to step up and out of poverty than to give them a hand by assisting them in preparing to take their HiSET exam!

## WHAT EXACTLY IS THE HiSET EXAM?

The HiSET exam is for adults who do not have a high school diploma. Those individuals who pass the test receive a High School Equivalency Certificate. The HiSET exam covers five subjects: reading, writing, math, science, and social studies.

## WHERE CAN I GO TO PREPARE FOR IT?

HiSET preparation is offered locally at community colleges, learning centers, and other educational sites.

'Tis the season of giving! Times are hard, but our spirits are hopeful as we continue to make a difference here at Mid-South ACT. Won't you donate some of your time to assist a person with disabilities in their journey to complete high school? It would be a life-changing experience for you both!

**REGISTRATION IS STILL OPEN!**

For more information and to enroll in the volunteer training program, please send an email to Mid-South ACT at [act@memphis.edu](mailto:act@memphis.edu), or call the main office at **901.678.1489**. We look forward to hearing from you!

Mr. Joseph Dean, pictured above, is a proud client who is in our HiSET pre-program.
