

3 N 1 SUPPORT GROUP INFORMATIONAL AND NETWORKING MEETING

Individuals sitting around table sharing ideas.

The three Mid-South Access Center for Technology (ACT) networking and support groups are:

- **Roll with the Punches:** for individuals who use wheelchairs.
- **Blind Awareness & Togetherness Support Group (BATS):** for individuals who are blind or have low vision.
- **BRAINIACTS:** for individuals with traumatic brain injuries, strokes and other acquired brain disorders.

Guest Speaker: Wanda Baker, Resource Specialist with Tennessee Disability Coalition

Topic: Project BRAIN

Project BRAIN provides free training to help those who support students with TBI understand the nature of brain injury and the unique needs of the group of children and young adults. This training is created for educators, families, health care professionals, and others interested in learning more about TBI.
