Memphis Blind Awareness & Togetherness Support Group for Young Adults (18 – 50) who are Blind or Visually Impaired

A new networking & support group for young adults (ages 18 – 50) who are blind or have low vision began in December of 2011. Many of our members have expressed an interest in seeking employment, so at this upcoming meeting, we will have representatives from The University of Memphis Employment Network to speak and assist those of you who are interested in getting started. We also plan to play games, like Braille Bingo, Chess, Dominos, & Braille UNO.

Won't you join us? Our next meeting will be held:
