- 1994 Lambert-Pennington, "Through the Spyglass of Anthropology: Zora Neale Hurston's Mules and Men" Undergraduate Thesis, Western College Program, Miami University, Oxford, OH.

Research

- 2017-present Alternative development practices, citizen movements, political culture and change in Sicily – This collaborative project (with Dr. Saija) explores

- the relationship between development paradigms and governance. It focuses on the efforts of a coalition of community groups in southeastern Sicily create cultural and institutional change in relationship to the environment, development practices, and governance.
- 2015-2020 Food access, social networks, and aging - This project examines how seniors define their food security status, paying particular attention to seniors' food resourcing strategies, social support networks, and how their food choices and preferences reflect the experiences of aging, like decreased mobility, fixed income, dietary and health restrictions, and limited social networks.
- 2011-14 Farmers Markets as Food Access Points - Working with the Works, Inc. and a resident advisory committee, this research focused on assessing the reach and impact of the South Memphis Farmers Market on African-American residents' access to affordable, fresh fruits and vegetables.
- 2011-12 Co-PI, Choice Neighborhood Planning Initiative - Partnering in a community- university team conducting participatory action research with businesses, residents, and civic/social organizations in the Vance neighborhood this project documented current physical and social conditions and developed a redevelopment plan pursuant to the City of Memphis' application for a Choice Neighborhood Implementation Grant from Housing and Urban Development.
- 2009-13 Co-PI, Vance Avenue Collaborative, partnering with a multi-disciplinary team conducting participatory action research with faith-based organizations and residents in the Vance neighborhood to facilitate a community-based redevelopment plan and policy recommendations for the area.
- 2008-12 Co-PI, and coordinator of multi-disciplinary research team conducting community-based research with St. Andrew AME Church on faith-based neighborhood development, and facilitating community-based planning process in South Memphis neighborhood, Memphis, TN.
- 2008-09 Post-doctoral field research investigating local impacts of the termination of Aboriginal targeted employment program in the community, changing Aboriginal policies, and new Federal leadership, La Perouse, New South Wales, Australia.
- 2006-07 Coordinator and facilitator evaluating first time homeownership experiences in the College Park Neighborhood conducted in collaboration with United Housing, Inc., Memphis, TN.
- 2003 Follow-up dissertation research focusing on archival research and interviews with Government officials, La Perouse, NSW, Australia.
- 2001- 02 Dissertation research investigating Urban Indigenous Identity, Aboriginal policy, Community Politics, La Perouse (Sydney), NSW, Australia.
- 1999 Pre-dissertation research on the impact and response to the Truth and Reconciliation Commission, Johannesburg and Cape Town, South Africa.
- 1996 Master's Thesis research. Focusing on life story interviews with urban Aboriginal women and community history, La Perouse, NSW, Australia.
