Description of course and content:

Body / quantity of work contracted (syllabus):

For Graduate Students Only.

Special requirements for successful completion: Students must attend at least 2 of the 3 scheduled graduate/faculty critiques during the semester of this contract and must submit finished work for review at one of the critiques.

While working independently, I accept the responsibility of scheduling regular meetings with my supervising instructor for criticism and advice. I will also attend individual and group critiques as scheduled.

I understand that meeting with my instructor and attendance at critiques is a required part of the course and that my grade may be lowered for failure to meet with my instructor and attend critiques.
